I found the one and only comment about this movie entirely uninformative and altogether too harsh, so I have decided to write
This hugely entertaining short is considered one of the best shorts ever, and I certainly won't argue with that. Even in a countr
One of the few best films of all time. The change from Black and white to colour for the Heaven and Earth Sequences was Dir
Clair Denis again revisits her theme of estranged fathers, men who follow their own bliss in determined fashion, heedless of th
High energy Raoul Walsh classic from 1933, The Bowery places saloon owner and operator Wallace Beery against bitter rival
I must give How She Move a near-perfect rating because the content is truly great. As a previous reviewer commented, I have
I absolutely love this show!!!!!!!, Its basically fox's improved version of the simpsons (cau'se lets face it the simpsons are very
I've read approximately 10 reviews of this film, but haven't taken any of them "to heart". Harrison Ford is being criticized for ev
I viewed the movie for a second time on September 30, 2006 and thought that it was even better than the first time I saw it. I t
I too remember seeing this film as a youngster at a local small theater that presented foreign films each week. It was the darin
Go immediately and rent this movie. It will be be on a bottom shelf in your local video store and will be covered in dust. No one

I've never really considered myself much of "student" when it comes to watching films, I watch them, form an opinion and that'
The movie Haggard is one of the funniest movies of all time. It features the cast from CKY (the movies) and also has a GREA
It was a fascinating story waiting to be told. FAT MAN AND LITTLE BOY takes us inside the trials and tribulations of a group o
I don't know what it is I find so endearing about this film, but the first time I saw it, I wanted to see how it ended. I'm not a big fa
This was the Modesty that we didn't know! It was hinted at and summarized in the comic strip for the syndicates to sell to news
This episode so far is the best of the series. The story was told perfectly. I especially liked how the writers made it a Desmond
This movie is just plain bad. Weak story , weak directing and below average acting. The thing that really irritated me was the b
You've heard it said to live every moment as if it's your last? Whether it's your last day or not, I beg you not to waste any part o
A serial killer , Carl Stargher , has been kidnapping and murdering young women by letting them drown in a water filled cell . H
I saw this film in the movie theater. I was taking classes at the Second City Chicago and of course the buzz of this movie was
Well, i rented this movie and found out it reallllllly sucks. It is about that family with the stepmother and the same stupid fights
I grew up on Scooby Doo Where Are You, and I still love it. It is one of my favourite cartoons along with Darkwing Duck, Tales
I bought this movie for about 2,5 dollars at a local flea market. I thought that with the cast present in this movie (Ice-T, Rob Lo
I watched the movie while recovering from major surgery. While I knew it was only a "B" film, a space western, I loved it. It ma
THE GREEN BUTCHERS (Anders Thomas Jensen - Denmark 2003).

How do the Danes keep coming up with thes
I've been watching this every night on VH1 this past week. This is a terrific revealing portrait about the drugs epidemic and how
One of the most excellent movies ever produced in Russia and certainly the best one made during the decline of the USSR. In
I want to say the acting is bad, but I think it was the directing that made it so. I never thought much of Highlander (same direct
This film is so much of a rip-off of the masterpeice "demons" and thats the only thing that makes the movie worth watching. Th
This movie is good for what it is, and unpretentious; I wouldn't watch it twice, however: I am a Peter Cushing completist and th
Some may feel that the rating i have just given is a bit generous, but for what this film is i think the directors have done a good
I truly enjoyed this film. The acting was terrific as was the plot. Jeff Combs has more talent than he is recognized for. The only
I caught this for the first time a few nights ago on television. I expected to only tune in for a few minutes, but found myself intrig
Imagine the scenario - you are at the movie theater only because you are in Washington for the weekend and it's raining and y
My original title for this review was going to be, "Ending disappoints, Film triumphs." But I actually thought about this one on th
I didn't see this movie when it originally came out, but there has been a couple songs sharing the title and the term still gets us
A lot of people say the end did not make sense, but it did. With the female vampire dead the link to earth was broken and the s
There is nothing mean spirited or evil about this movie. It's just terribly dull. Dull is the photography--- the film stock appears ol
What an incredible story and what a beautiful film! Hat's off to Ben Daniels, Lavinia Currier and the great Honore de Balzac. Th
Our family (and the entire sold out sneak preview audience) enjoyed "The Guardian". Kevin Costner and Ashton Kutcher gave
I don't understand the many good reviews, here. I found the photography and scenery beautiful, and the two lead actors appe
Here I thought "Nanook of the north" was the last word in archaic semi-doc 'eskimo' movies. How wrong! As an avid sea-kaya
The novel is easily superior and the best parts of the film are direct translations from what Greene wrote; for instance the quie
Minnie and Moskowitz is the most pathetic and ungraceful love story I've ever seen. Between Minnie, a disillusioned museum
Topical? Certainly. Entertainment? Probably - but only on removal of any shred of the viewer's common sense. Reality? Only
Tipping the Velvet (2002) (TV) was directed by Geoffrey Sax for BBC television. The basic plot is a coming-of-age story for the
i loved this movie. you have to respect midgets that dressed up like tiny Martians. Sure the story may have been thin at times,
Not having seen the 1936 version of this story, I cannot offer any comparison there. I can, however, state that Stephen Sondh
I don't get it! The teenage leads in "Horror Star" supposedly all are devoted horror fans, yet when their favorite idol (Conrad Ra
If you're coming to this film to learn something about depression, forget it: you won't learn anything except how not to write a s
Renee Zellweger absolutely shines as Nurse Betty, easily one of the most charming, off-beat, and lighthearted comedies of th
I like seeing Linda Blair playing in an actual "horror" movie again. I had been disappointed with her in most everything since th
Ivan The Terrible is more a filmed stage play than a "big-screen-opus". Citizen Kane - a similar work in many ways - is quite th
Produced by International Playhouse Pictures, it looks as if filmed in a doll house. Everybody's a liar, everything is dream-like,
This is quite a dull movie. Well-shot with realistic performances especially a very good one from Depardieu as a cad and bad l
I got this for my birthday in a box set under the name Broke Skull. Well, after watching one on the DVD and being pleasantly s
I was entranced by this touching and hilarious film, not to mention surprised. I was also surprised to find that the voice of Pauli
I really couldn't get into this movie. The plot is some old woman has been torturing someone so long that he is deformed. She
OK, the other reviewers have pretty much covered the main points of this great little gem, i.e. the story started out in life as ma

The Fluffer may have strong elements of porn industry truth to it - but that doesn't make up for the fact that it's pretty shabbily
I have read the other user comments and I am happy someone has compared it to the original by Kamal called Perumarzhaka
Laughable would be a good term to describe this movie. But, since this movie deserves nothing good said of it, I'll use the terr
This is one of my favorite Mr. Motos, and I have seen them all. As usual Lorre is his charming self as the debonair Mr. Moto. L

The House of the Dead was the worst movie I have ever seen, between the pathetic 'matrix' 360 camera angle attemps and th
Why didn't this pick up a bag full of Oscars? It is an amazing interpretaion of an oft-filmed/performed piece. The visuals are br
If, in the first 10 minutes of this film, you don't realize that the main character, who writes a life advice column, is going to have
Inspector "Dirty" Harry Callahan once again angers his superiors with his maverick approach to police work. Refusing to take a
"Wired" would have to rate as one of the ten worst films I have ever seen. The writing and direction show a stunning lack of im
Jeremy Northam's characterization of the stuttering, mild mannered bookish Morgan Sullivan and watching him let loose bits a
TV director uses astral projection to kill people taking the form of the blue man.

Dull uninvolving horror film that kind
This is absolutely the most stupidest movie ever produced in front of a camera. I cant believe I was gullable enough to rent thi
This has the absolute worst performance from Robert Duval who sounds just like William Buckley throughout the entire film. H
Laura Gemser plays a magazine photographer who is sent to Africa for a photo shoot. There she is met by a couple and other
Dana Andrews stands "Where the Sidewalk Ends" in this 1950 film that also stars Gene Tierney, Gary Merrill, Karl Malden and
I recently rented Twister, a movie I'd seen several years ago on TV, and it has aged well; I found myself laughing out loud sev
One of my favorite Twilight Zone episodes. And the next day we were in the supermarket at Hollywood Blvd. and La Brea, my
It's very sly for all of the 60's look to the movie. The humor is quite gentle, but it grew on me much more than I expected. The
The bad news: the Canadian version of Beast In The Cellar released by Maple Pictures that I saw was of poor quality. Dark an
I'm giving this movie a 1 because there are no negative numbers in IMDb rating system. this movie was horrible. It was very b
Aghhhhhh! What a disappointment. A perfectly good hunk like Antonio Sabato Jr and nothing but embarrassing drivel coming
This is a movie with an excellent concept for a story but that got sidetracked but a large number of clichéd sub-plots, hackneye
Martha Plimpton has done some prestigious movies, working with River Phoenix and Harrison Ford, but she was never able to
What can I add that the previous comments haven't already said. This is a great film and the Light Sabre duel Star Wars tribut
This is one of the all-time great "Our Gang" shorts. Spanky is at his very cutest and funniest, and the babies that he get's left t
I missed the entire season of the show and started watching it on ABC website during the summer of 2007. I am absolutely cra
This movie is too stupid for words. Even if you consider it to be a parody on movie-making, if you consider it to be completely
This is almost the worst film you will ever see! 2012 Doomsday currently pulls the rug from under this one, for me. The props a
I have to say, as a BSG fan I wasn't exactly sure what I'd think of this show. I saw it on the big screen at the Arclight cinema to
Hey all you jive hustlers, you stone foxes, you mean dudes. Watch out cause Slaughter is back in town! If you are looking for a
The movie I received was a great quality film for it's age. John Wayne did an incredible job for being so young in the movie inc
While everyone does a decent job in this film, I agree with the other comment: it's too loose and scattered, too much like a scr
Sometimes realism can work against the effectiveness of a film. That's no problem here. The sets are cheesy, inside and out.
First I must say that I enjoyed the first Underworld movie. I was intrigued and curious to learn about Vampires and Lycans and
For all intents and purposes, Showtime was the worst movie I have ever seen.

Why? Because having Deniro in the
I felt it necessary to respond to the comments posted on the front page of this film's page because some of it was slightly misi
I should have realized that any two-video set being sold for only $6 would be bad. I even read the reviews before watching this
What a load of Leftist Hollywood bilge. This movie glorifies mutiny as brave and noble if it be for pacifist principles. The fairytal
"Death Wish 3" is the movie equivalent of a shooting gallery. All the characters (apart from Bronson's Paul Kersey, of course)
A friend of mine was in the cast as a FEDS agent (a non-speaking part, as I recall). He brought it over on DVD so I could see

Yes, it's Sean Connery playing Bond again, looking more alive and into his part than any time since the first time they made th
This is a "revised" Riverdance presentation, staged at Radio City Music hall in New York City. Of the three Irish "dance" music
When It Comes to ANY Movie that was made in or about the South,The Characters are Labeled Racist or Hillbillies or Even W
This is the moving tale of Scotland's legendary hero, Rob Roy, and his battles with the feudal landowners. Like Braveheart to
i didn't enjoy this movie at all.for one,i just found it crude and vulgar,for no reason.i also felt it's misogynistic(against women.)a
Invasion of the Star Creatures would definitely be in the "so bad it's good" category if the film wasn't quite so sexist or racist. T
Hey Arnold! is a slow-paced and slightly boring movie. The plot is not very creative. The Paul Sorvino character (Shenk) is buy
Yes, in this movie you are treated to multiple little snowmen on the attack in apparently a very warm climate so yes this movie
I just spent the last half an hour reading through the other reviews and I don't know if I want to laugh or cry. There's no way tha
Poorly-made "blaxploitation" crime-drama aimed squarely at the black urban market of the early 1970s. Pam Grier stars in the
I am very impressed by the reviews I've read of this film - generally well-read, thoughtful and informed - obviously by people w
I enjoy gay-themed movies where the characters aren't stereotypically gay and that's what attracted me to this movie, that and
I got to see the movie " On Thin Ice" on the television in India.. I must say the movie was really well done, and really sent a ch
I feel this is one of the best movies I've seen,I'm an older male and love most westerns. I love movies based in part at least on
Before seeing this movie, please check out reviews available on the internet regarding the movie's falsification of events, parti
If you're the kind of movie-goer who enjoys original content and intelligent suspense...then look elsewhere, kids, cause Sleepw
This is an intimate movie of a sincere girl in the real world out of Hollywood's cheap fantasy is a very good piece of its class, a
Wow! That James Purefoy looks exactly like Thomas Jane!

That's the most profound thought I took with me after h
Overall I found this film good: exceptional acting with disturbing scenes (some essential, some useless) and weak second half
In an interview, David Duchovny said he hasn't been able to watch even the first hour of this film - and neither should you. The
Oscar Wilde's comedy of manners, perhaps the wittiest play ever written, is all but wrecked at the hands of a second-rate cast
"GEORGE LOPEZ," in my opinion, is an absolute ABC classic! I haven't seen every episode, but I still enjoy it. There are man
Although I have not seen this mini-series in over twenty years I can still remember how the balance between character,plot an
"Wisecracker," the biography of actor William Haines, offers a gratifying anecdote about the former star when he was past 70
I rented this one to see Vanesa Talor one more time. She can act, but doesn't get a chance in this clunker. The opening seque
Insisting that Martin Luther King's inspirational spirit resides not just in American civil liberties but inside the hearts and minds
High heels are tricksy things. They can elevate women (or cross-dressing men) to newfound heights, put forward a sharp stat
This delightful movie tells the story of buds. And it's incredible. You'll laugh, and you'll smile, and you'll laugh. It's really all abo
Lolita is a rebel and she's going to share to our wide open eyes some little sex stories, between sci-fi and fantasy... Well, this
From the first to the last scene of the movie, director Visconti excels at his art, to the extent that the movie is ensured to remai
It's very funny. It has a great cast who each give great performances. Especially Sally Field and Kevin Kline. It's a well written
What's there not to like?

I caught this again tonight and marvelled as to Hugh Bonneville's capturing of the essence
I gave this a 10 out of 10 points. I love it so much. I am a child of the 80s and totally into heavy metal for many years. Those a

I grew up in Houston and was nine when this movie came out. As a result I don't remember anything about the movie. But I do
"RVAM"'s reputation preceded it. I first heard of it in one of those Medved style movie books, "The 50 Worst Movies Ever" or "
Yesterday was one of those days we decided to go to the movies. We picked "Ik ook van Jou" more or less at random, but we
Extremely well-conceived - part whatever happened to, part behind the scenes revisitation, part reunion film - all done in the s
Well, well... Even if you're a fervent admirer of Lang's silent films, this early one - the first part of a two-part unfinished four-par
I really don't want to compare Martin Scorsese's Cape Fear to the classic 1962 Cape Fear film, but I can't help it. Not only am
This movie was absolutly awful. I can't think of one thing good about it. The plot holes were so huge you could drive a Humme
Saw the film at the Hollywood Film Festival in Oct '04 . Mark Robertson took a huge chance writing an extremely difficult part f
Being the sci-fi fan that I am, I was always curious about this film. So I was excited to see Journey to the Far Side of the Sun f
This is the greatest example I can think of to prove the theory that when Hollywood runs out of good ideas, they make an awfu
Probably one of his lesser known films, it suffers from the same lack of exposure as Salvador in that its actually one of his bes
This is a poor excuse for a movie. A film noir done by Busbee Berkeley? Please! First, let's forget about the plot, a truly simple
While this movie has many flaws, it is in fact a fun '80s movie. Eddie Murphy peaks during his 80's movies here. While his cha
When I first read the plot of this drama i assumed it was going to be like Sex and the City, however this drama is nothing like i
Had this movie been made just a few years later, I would have knocked down the score a point or two because the sound qua
To the eight people who found the previous FIERCE PEOPLE comments by "Psycolicious Me" and "Topdany" "helpful," as we
The anime that got me hooked on anime...

Set in the year 2010 (hey, that's not too far away now!) the Earth is now
I truly enjoyed the movie, however, I did not realize that Little Richard had so many things going on in his life. First of all I was
Once in a while you get amazed over how BAD a film can be, and how in the world anybody could raise money to make this k
I was really excited when I read "The Canterville Ghost" would be shown on TV. However, I was deeply disappointed. I loved t
I see what the director was trying to do but he missed the mark. The main actor was really good but the editing around his mo
I was watching this with one of my friends, who is a vampire freak, and I was extremely disgusted at the fact that this film exist
We'll never know The Truth about 9/11. And this shoddy movie proves it.

I recently watched a YouTube report clai
A female country singer nicknamed "Big T"--seriously, that's what they call her--risks her budding musical career and her life b
This is a gripping story that borrows elements from the Kennedy assassination, and uses them successfully to create an excel
Don't waste your time or money on this one. The half decent cast might fool you into thinking that this teen-thriller, whilst hardl
Don't listen to the misleading title "Werewolf Woman". The Europeans are well known for putting an emphasis on sex and nud
Mr Bean was great fun, i loved it, every episode was really funny, Rowan Atkinson was perfect for this role, he's a funny lookin
And my children love it now! Granted, I can watch it now and realize the animation wasn't that great, and that the plot is trite. H
It's beyond my comprehension that so much rubbish from Norway has been remastered for DVD release, and still gems like th
A strangely enjoyable effort, combining an appropriately far-fetched plot involving Adam and Burt and flashbacks to the origina
This game is an action/adventure with combat. There are quite long periods with no combat but other times, you have to get ri
It could not have come from a different country nor from a different time. This movie simply oozes psychedelia influenced late
After sitting through this god-awful 82-minute excuse of a film, and having previously wanted to gouge my eyes out after havin
I loved the first two movies, but this movie was just a waste of time and money (for me and the studio). I'm still wondering why
I just watched Congo on DVD.In most cases I love these kind of movies but this one is different. It made me write my first com
I have to admit that I absolutely loved this movie. Of course as I'm sure you know that "Malcolm's in the Middle" star Frankie M
Kevin Spacey is without a doubt one of the best actors of the 90s. After his performances in The Usual Suspect, Se7en and A
This should have rocked. VH1 moved away from the traditional divas (Whitney Houston, Celine Dion, etc.) that had made the
i have just seen the movie "15 park avenue" which was the first night presentation movie in the asia society human rights film
I saw this movie many years ago, have tried to locate it but perhaps understandably it is nowhere to be found. It was so esote
Cliche romance drama movie with very simple plot but very good cinematography and script.The screenplay,directing and act
Unfortunately I have to agree with the critic written by halopes.

For a short film the cinematography, costumes, sets
My sister, a friend and I went to see this film for my birthday on the 24th of September. We had all seen the first "Jackass" mo
"The Thief of Bagdad" is impressive in the shape of the evil magician Jaffar (Conrad Veidt). He plots with lies and magic spells
This was an excellent idea and the scenery was beautiful but that's where it ends. It seemed like a lackluster Set It Off meets
I thought "puppets making crank phone calls" was pretty low, but I don't believe that Carlos Mencia's show even qualifies as c
I watched full house when I was younger and I can not understand why I did. I don't remember really enjoying the show. I think

Beautifully photographed and ably acted, generally, but the writing is very slipshod. There are scenes of such unbelievability t
Although I generally do not like remakes believing that remakes are waste of time; this film is an exception. I didn't actually kn
The role of Buddy Ackerman is no stretch for Kevin Spacey. He's played version of that character many times other, better filn
Well, let me put it this way - I have always been one of the "hardcore brothers"; I've always loved rock music, and especially h
In my opinion, A GUY THING is a hilarious, witty, sexy, romantic, and totally beautiful chick flick that guys will also enjoy. I tho
With boundless, raw energy and an uncompromising vision, Talk Radio brilliantly explores the public's fondness for reducing s
No idea how this is rated as high as it is (5.8 at the time of writing) but this movie was absolutely horrible. The acting wasn't er
The film is bad. There is no other way to say it. The story is weak and outdated, especially for this country. I don't think most p
Bette Davis' cockney accent in this film is absolutely appalling. I totally understand that Americans and other nationalities migh
This is one of the best animated family films of all time. Moreover, virtually all of the serious rivals for this title came from the s
Very nice action with an interwoven story which actually doesn't suck. Interesting enough to merit watching instead of skipping
In the first Howling, we are introduced to a world where werewolves exist and are somewhat organized. The plot in that film m
I LOVED this program, and for years searched for it on video. I've contacted a great many folks in my attempts to get a copy...
I've just watch 2 films of Pang brothers, The Eye and One take only. When I watched The Eye, I was kind of disappointed abo
Radio was a very good movie, and honestly, i never cry in movies. But it had me pretty close to tears. It really got to me when
Felix Unger (Jack Lemmon) has just been dumped by his wife, because he is one of the most annoying , neurotic people in th
Well not actually. This movie is very entertaining though. Went and saw it with the girlfriend last night and had to use the "I thir

The movie has one nude scene: A man sitting on the edge of the bed, with his exposed genitals smack dab in the middle of th
I'm not saying that because the production values were so low, but because it was filmed terribly. That shot of the girl washing
This film blew me away. I thought I knew a little about the Attica prison riot. After watching this, I see I knew nothing. The story
This "film" is a travesty. No, wait--an abomination. NO, WAIT--this is without a doubt the absolute WORST film ever made feat
CAT SOUP has two "Hello Kitty"-type kittens embarking on a bizarre trip through the afterlife, where anything can happen, and
This film, as low budget as it may be, is one of the best psychological thrillers I've ever seen. If you accept that it's low budget
Difficult film to comment on, how do you say it's bad? Well it isn't, but then it's equally difficult to say it is good. What it is, is co
With a minimal budget, a running time of eight minutes and a great amount of imagination, Nacho Vigalondo has achieved one
I just saw "Ifஸ" I can remember the advertisements for the movie from 1968, so I was interested in finally seeing it. It may be t
Can any one help find out the title and artist of the song, that was played at least halfway through the movie. I can't remember
Just plain terrible. Nick and Michael are WAY better actors than this. A "C" rated flick at best. The plot was weak and the chara
All I can say is, first movie this season that got my attention. I picked it because of the actors, Gere and Claire, and the story lo
I've now written reviews for several of the MoH episodes, and this is among the worst. An interesting premise at the beginning
After hoo-hooing American Indians scalp number one son, frontiersman Bruce Bennett (as Daniel Boone) seems, at first, like
For unknown reasons this beautiful masterpiece didn't get well-deserved recognition and has been vastly under-appreciated b
I saw a lot films about Charles Dickens' Christmas Carol. But this one is the best of all! There is an atmosphere which is exact
I found this movie on one of my old videos, after "Godzilla vs. the Sea Monster" (which should INSTANTLY give you an idea o
Following a mugging incident at New York's Grand Central Station, an innocent bystander (Kevin Spacey, "The Usual Suspec
'Crossing the Bridge: The Sound of Istanbul' is one of the best music documentaries that I have seen lately and is more than a
This is a gently amusing coming-of-age comedy that comes from the later, more mature period of Neil Simon's writing. Althoug
This film was amazing, it was extremely funny and moving. Damien O'Donnell and Jeffrey Caine have put together a great mo
I found 'Still Crazy' to be marvelously entertaining, and not only to those of us who lived through that raucous era of late '60s,
I always had this concept that Korean movies were all about comedy and drama, but "Christmas in autumn" has changed my
I am astounded that so many people find this film even close to good. Let me make it clear that I am a HUGE Hitchcock fan an
I'm not a fan of Adam Sandler. In fact, I don't think I've ever liked him in anything I've seen him in. The opening scene of this m
Hollow point is an alright movie worth a half price rental or if nothing else is on a good time waster with no thought required. Th
for many and many years, gaijin have visited japan for learning martial arts, instead of acquiring any knowledge on it, gainjin h

Created by Dennis Spooner, 'Department S' was a glossy thriller show about an offshoot of Interpol, based in Geneva, created
some funny lines are all what makes this movie bearable. the camera tv-movie-like, the acting poor (julie davis is more than di
SPOILER AHEAD! The mummy (Lon Chaney Jr.) is on the loose in a New England college town searching for a college stude
This movie changed it all for me...I heard of breakdancing and hiphop, but had never seen it professionally done (hey I was ar
I was in a bad frame of mind when I first saw this movie. For some reason it clicked on all my levels, tensions in a family, lonel
I am not a huge fan of camp kitsch and the "so bad it's good" type of viewing. However, I really like this film for its fun factor ar
Except for the acting of Meryl Streep, which is of note as always, I'd avoid this film because it has a dated "Movie of the Week
Occasionally on talk shows a good topical debate sparks some interesting opinions from the audience, unfortunately there is a
This is my first Almodavar film. I'll confess we chose it mainly because we knew this had the enticing prospect of Antonio Band
Long ago and far away they knew how to make a musical and "Cover Girl" is no exception to the rule.

A story of a
The movie is nothing extraordinary. As a matter of fact, it is an insult to the horror genre. Nothing about it borders on scary... n
I like movies about quirky people. "One Flew Over the Cuckoo's Nest" is maybe my all time favorite, so one can imagine I had
'Ned Kelly' is a wonderfully made Australian film honouring a true Australian hero. We are taken into the world of Ned, his best
Director Paul Verhoeven's American vehicles are of varied quality, but most of the films he made in his native country are indis
This is an extremely silly and little seen film about slavery in the West Indies and it stars Puddy from the "Seinfeld" show! Patr
Christopher Nolan's first film is a 'no budget' black and white film about a unemployed writer who begins following strangers, w
Son In Law didn't do so hot in the box office, but that only means the masses were wrong. This movie is one of the few movies
Written by brilliant Monkees' TV writers Gerald Gardner and Dee Caruso,WHICH WAY TO THE FRONT was the last of the "J
Finally a true horror movie. This is the first time in years that I had to cover my eyes. I am a horror buff and I recommend this m
This is such a fun and funny movie. Highly entertaining at all angles. It features an outlandish array of memorable, psychotic b
yeah right. Sammo Hung already acted in the main role in 1983's "Zu Warrios from the Magic Mountain". Now, 2001, he does
Hearing about how hilarious this movie is, I finally rent it at

the video store and for 75 minutes maybe I laughed 3 ti
While I understood, that this show is too weird to please everybody, I don't get where all these bad reviews come from, and I'm
Not sure if it was right or wrong, but I read thru the other comments before watching the short.I have to say I disagree with mo
I have seen quite a few action thrillers in my life and this is clearly one of the best ever! There are very few films which I even
For those of you who think anime is just about giant reptiles raping schoolgirls, think again. There is a totally different side to th
For readers who have already seen one of Miyazaki's films: he is still in top form and made another worthwhile experience. Ob
Wilson (Erica Gavin) is nabbed by the cops and sent to prison in this slick and amusing example of prime 70's exploitation, ma
This movie is a mix of a dark comedy and a drama, about two guys who worked in a Butcher's shop and wanted to build up th
Beyond Rangoon is one of the most emotional and intense films ever made. Superbly directed by John Boorman, and intensly
Andaz Apna Apna is a movie that I treasure and its one movie, I don't mind seeing at any time... well almost any time! This mo
Now, I know French inmates are unlikely to have read Lovecraft (and that proves my point that his writings should be taught in
There are very few performers today who can keep me captivated throughout an entire film just by their presence. One of thos
I rented this film on Netflix after it won all the Oscars, to see if it was really that good.

The Hurt Locker is a very rea
François Traffaut's "Mississippi Siren" had an unconvincing plot. The screenplay required too much elasticity in suspension of
POSSIBLE SPOILERS --

I love Dennis Quaid and I like Meg Ryan. I was looking forward to seeing them together,
There was nothing about this movie that I liked. It was so obviously low-budget with bad lighting and camera work (almost like
This is a very mediocre Jackie Chan film and one of his absolute worst James Glickenhaus ruined it!. All the characters are de

It took 9 years to complete this film. I would think that within those 9 years someone would have said,hey, this film is terrible. I
In case half of this film's footage looks strangely familiar, it means you watch way too much of this gory Italian cult-crap! For yo
My main problem with the film is that it goes on too long. Other then that, it's pretty good. Paul Muni plays a poor Chinese farm
I saw this documentary film at the 2005 Slamdance independent film festival. This documentary is shot, directed and edited by
Not wishing to give *anything* away here, I would just say this technically excellent, flawlessly acted and uplifting little flic will r
With a title like that, it's above and beyond my comprehension how this movie just did NOT appeal to me. Granted, there's a fe
...and in this series, I've been reduced to an annoying jock with a gay hairstyle. Remember my friend Marco, who got all the go
As with all environmentally aware films from the 1970s SOYLENT GREEN has a rather cheesy view of what ecological meltdo
This has to be my favourite film. The script is sharp and played to the limit by an excellent Miller and fantastic Carlisle! Sharp v
A good entertainment but nothing more : in this western we are between the classics and the spaghetti ones. This provides us
And Gi Joe go stuck in the water, I die of laufther every time I see this movie, and then a big brown shark came, This is comed
Five minutes in, i started to feel how naff this was looking, you've got a completely unheroic hero and his overweight fool of a f
Whoever gave this movie rave reviews needs to see more movies.

A loser takes his camera and photographs his r
This movie is why I found this website. I couldn't find this movie anywhere else! I am so glad we found it here! We have seen i
I thought I was going to see a UFO movie. Instead, I saw a movie that was trying to make the audience (me) make the decisio
This has got to be the best movie I've seen. You definately have to watch it more than once to find all of the humor and twists.
Sorry Fulci fans, but I could not get through this one. The soundtrack was about as annoying as they come, the acting was pu
I made a promise that if ever I posted a comment that was less than complimentary, then later felt different about it, I would re
Even though this was a made-for-TV production, there's absolutely no excuse for the rock bottom results of the finished produ
David Duchovny plays the lead role in this film.Now a lot of people upon finding that fact out wouldn't even bother watching it.Y
Wow, I think the overall average rating of this film on this site is incredibly low. There's really no reason to dislike this film. "Mic
It's easy to make really general comments about a film like this. The fact that it's one of the only remaining Japanese films fron
Sadness and nostalgia permeate Late Chrysanthemums, a 1954 film by Japanese auteur Mikio Naruse, now undergoing a ret
I'm tired of people judging films on their "historical accuracy". IT'S A MOVIE PEOPLE!! The writers and directors are supposed
La Ragazza del Vagone Letto, or Terror Express! as it was called on the version I saw, starts as various passengers board a l
This is real character and story driven drama at a level that shames most of what we see on TV at the mo.

I was im
Pretty standard B-movie stuff. Seriously, anyone who watches "Dragon Fighter" with Dean Cain and a bunch of people making
I enjoyed this movie and I had very low expectation due to all the negative reviews I read before going. I went because I was c
Project A II is a classic Jackie Chan movie with all the kung fu, crazy stunts and slapstick humor you expect. Not as good as th
"The Straight Story" is a truly beautiful movie about an elderly man named Alvin Straight, who rides his lawnmower across the
This movie was one of a handful that actually caused me pain. It might be enjoyed by anybody who thinks that it would be fun
I have found this show by accident and was surprised to find out that nobody I know has ever heard of it. This was by far one o
I thought Hugh O'Conor was astounding as the young Christy Brown, and really deserved greater recognition for his role. I cou
Taped this late night movie when I was in grade 11, watched it on fast forward. I sugest you do the same. I though it would be
This movie is a must-see movie for all. Congress should see this truthful documentary from the point-of-view of the soldier, as
I saw the movie with two grown children. Although it was not as clever as Shrek, I thought it was rather good. In a movie theat
This one is a real bomb. We are supposed to believe that Merle Oberon is the sequestered daughter of an ambitious politician
Excellent special effects make this disaster move very plausible. One can see that the producers went to some trouble to get t
This is seriously one of the best low budget, B movies that I have ever seen. I am not one to stand up and cheer during a mov

I went in expecting the movie to be completely dumb. With such a low expectation, any form of entertainment would be a plea
Superb and charming. Justin Henry is beautiful as a blissed out and mischievous Howard Kaylan, lead singer for the top ten h
In short, the movie had a little bit of a weak 1st act with some forced acting and a somewhat disjointed rhythm and pacing, sor
The story goes something like this: A small-town girl, Katie (Jessica Simpson), decides to visit her boyfriend in the big city. Wh
ok. for starters, taxi driver is amazing. this, this is not taxi driver or amazing. what it is is bad. but i thought it was bad funny, wl
It's sort of hard for me to say it, because I so greatly enjoyed both "Targets" and "Paper Moon", but I thought "The Last Picture
I still liked it though. Warren Beatty is only fair as the comic book hero. What saves this movie is the set, the incredible cast ar
We could still use Black Adder even today. Imagine Rowan Atkinson resuming the role of assistant to the prime minister playe
This so-called "documentary" tries to tell that USA faked the moon-landing. Year right.

All those who have actually
I am a huge fan of Northern Exposure. Men In Trees is a complete knock-off of Northern Exposure. There's the city-folk from N

I liked the quiet noir of the first part, the acting of Pacino and Cusak, especially their scenes together. The moodiness of the se
Tony Arzenta, a Sicilian hit-man or professional killer, decides to leave the business, and his former employers do not agree.In

Audiard made here a very interesting movie. It begins with the description of an almost-deaf young woman, in its working univ
Someone actually gave this movie 2 stars. There's a very high chance they need immediate professional help as anyone who
The highlight of this movie for me was without doubt Tom Hanks. As Mike Sullivan, he was definitely cast against type and sh
When dirty dancing was on TV in the middle of last year I was out so I didn't get to see it, my mum swore that I had seen it an
I really thoroughly enjoyed this movie. For one it didn't have the corny special effects that the big budget movies have. The ac
River's Edge is an excellent film and it's a shame that it hasn't made more of a mark for itself in cinematic history. There were
This film plays really well with an audience. Especially once the chase begins. Plus, Trevor Howard with his sensible, smart c
First off, this movie leaves you in a limbo mood wise. You don't know what to feel. So much so that you don't feel bad for Cai
I love this movie and all aspects of it, well directed as a comedy and as a drama. The acting is tremendous, performed by an
quite good, don't expect anything high culture.....the acting is bad, the storyline fails, but it is still a fairly nice movie to watch.
The movie starts out with its most intelligent joke, and goes downhill from there (pun intended). After that there's lots of potty
Yeah. Pretty sure I saw this movie years ago when it was about the Supremes.

Another recycled storyline glitzed
Peter O'Toole, one of our finest actors, is magnificent as a reserved school master who is dedicated to teaching young boys.
A few months ago, I was involved in a debate with another IMDb poster (Hey, Kmadden) about this film. The poster insisted t
This movie "Joshua" is extremely disturbing, and downright pointless. It actually makes me shudder to think there are people
This installment of Masters of Horror was terrible. Apparently, Mr. Carpenter needs to learn a thing or two about pacing and d
I was shocked at how bad it was and unable to turn away from the disaster. This made 'Major League II' and 'Blues Brothers 2
I get the feeling that Lisa Krueger is easy to overlook. I personally found her first film, 1996's Manny and Lo, to be a wonderfu
This movie is excellent in how it portrays the reality of sexual abuse. The daughters perfectly express their conflicting emotion
I think that the movie was kind of weird. In the opening scene, a person is killed for no reason. He doesn't get mentioned agai
I have only praise for this film. From start to finish it captured the brilliance of Stephen Sondheim's musical. I am not a big fan
This is probably one of the worst movies I have ever seen, everything about it is weak and incoherent. The acting is absurd, t
Why me? Why should I be subjected to such slaughter of what could have made an interesting plot?! At least if I can warn oth
Nice movie. At the begining, i thought it's a medieve detective kind hi-fi movie, but the ending totally surprised me. I guess, th
Ever sense i was a kid i have loved this movie. i have always been a fan of Joseph Mazzello. the kid had pure talent in both t
What the hell of a D-Movie was that? Bad acting, bad special effects and the worst dialogues/storyline i ever came across. T
Therefore it is important to talk about the DVD release instead of just the film. Tales from the Crapper is a film that only one s
Based on the true story of the FBIs hunt for those who were responsible for the bombing of the World Trade Center Building.
Truly flatulent script, and I was very disappointed with Marc Singer for agreeing to be in it.

I actually walked out of
OK, the box looks promising. Whoopi Goldberg standing next to Danny Glover parodying the famous farmer and his wife pai
I'm not a big fan of rom/coms at the best of times. A few have been quite good (check of Dream for an Insomniac), but this on
This movie is a should-be classic. It's not perfect, certainly. The pacing, while perfect for the stage, is in movie form slow as a
Anatomie (Anatomy) is an entertaining and engaging film that falls short of delivering the discomfort that should be connected
"The Color Purple", is truly amazing. There is none like it, and I don't think there ever will be. It's a roller coster of emotion and
honestly, if anyone has a brain, there's not 1 positive thing

to say about this movie what so ever.

I lost
Overall, the movie "Heart of Darkness" was pitiful compared to the book. Anyone who has ever read the book and had a suffi

I´m glad that someone has made a movie about how hard it is to risk your heart for a second time. Or third. This movie is exac
Johnny Knoxville has gone insane.

In the first Jackass he delighted in practical jokes more so than the physical stu
This is a good movie, but it is not recommended if you don't like intelligent movies. It's about two guys that wish that the world
It's difficult to express how bad this movie is. Even in the 1950s when intellectual searching for the meaning of life was fashion
It is amazing what you can see if you wake at 2 am and turn on the telly. I didn't know they showed films like this. I immediatel
Reviews for this film were lukewarm at best while expectations were sky high: a big budget, tons of popular faces, a rather fun
Don't let the premise fool you--this was one funny movie. The problem--it wasn't supposed to be a comedy. The story sets you
"Stairway to Heaven" is a outstanding invention of movie making, probably never duplicated. I rank it with "The Wizard of Oz"
I watched this a few days ago, so details are getting hazy. The film is shot on hand-held cameras, and a lot was made of this a
Every American who thinks he or she understands World War Two should see this movie. Few Hollywood films about the war
This may be the worst film adaptation of a Broadway musical ever. Even the music has been destroyed. Attenborough knows
I do not know what today's movie goers expect, but after 68 years of movie watching.. (Well maybe I didn't watch many movie
I was initially excited about this movie and fully expected it to be a combination of Equilibruim and Farenheit 451. Unfortunatel
"Tourist Trap" is a genuinely spooky low-budget horror film that will surely satisfy horror fans.It contains extremely strange atm
Another very good Mann flick thanks to the father/son combination of Walter Brennan and Jimmy Stewart. Brennan (Ben Tatu
I used to watch this show when I was growing up. When I think about it, I remember it pretty well. If you ask me, it was a pretty
Ron Hall pulls a triple threat as he writes, directs and stars in 'Vampire Assassins'. Derek Washington (Hall) is your clichéd co
Revolt of the Zombies starts with Armand Louque (Dean Jagger) trying to convince General Duval (George Cleveland) that his
For all intents and purposes, 'Teen Devian' might seem like just another lightweight Bollywood musical. To some extent, this m
Perhaps the worst thing about Carlos Mencia's comedy is that every joke needs to be followed with an insult at the people in t
What can I say about this movie that has not been said by all the other comments here, they pretty much sum up everything, t
The idea is nice. Bringing so many stars in one movie is great. But.... too many stories, too short and lacking really any sense.
I have been looking for this film for ages because it is quite rare to find as it was one of the video nasties. I finally found it on D
Look...I've come to expect this level of acting from William Macy...the guy just keeps putting in terrific performances...but MEA
The End of Suburbia is an important documentary about modern dependence on cheap energy and the coming peak in world
I saw this movie recently. 2 hours later, my head still hurt from laughing. The plot was soo awful, the jokes were soo bad, but

Bud Abbott and Lou Costello always had a good following among children, but in their careers I think you could say that they c
This is a film I saw when it first came out, and which I have seen a few more times over the years. It's always enjoyable.
Another day stuck indoors, another film to watch. Having finally completed my Christmas shopping yesterday on a cold and fo
Out of all the Princess stories Disney has put out there, Cinderella probably has the most enduring appeal. I can't really say w
Slow and nice images changed one another, with sometimes annoying music (you know Bjork) in background, for the first 75%
Well I watch tons of movies and this one really sucked ... BIG TIME. I am sure we are all sick and tired of the low budget ploy
This is a quirky little movie, and I have to agree that there is some quirky acting in it as well.

It follows the adventure
Crazy Scottish warrior race, stranded deep in outer-space, low on food and budget free, started ten now down to three, who w
I would be interested to hear from the director, Barbet Schroeder, as to why he decided to make More his first film, and more s
I heard an interview with the main actor who said that the film was not intended to be a horror movie but he himself would des
I really truly enjoyed this movie. (Which is why it surprised me that it got such a low rating from so many users at this site!) I ar
There's nothing I hate more than self-congratulating pretentiousness. Kevin Smith deserves to be hung up by his toenails for i
The premise and subject about making a criminal realize what his victims went through by capturing his family hostage sounds
While this was a better movie than 101 Dalmations (live action, not animated version), I think it still fell a little short of what Dis
I have read reviews of this film that found it 'disappointing' and 'confused'. I am at a loss to understand why this should be so.
As talk-shows go, Larry King Live is not bad, and since he occasionally gets good guests, it's a show to turn on once in awhile
ONCE UPON A TIME, there were different types of movies. These different movies coexisted even though each one had som
This Showtime movie really deserves a far better viewer rating than a 4.5; I gave it a 10 based on the story and the acting of th
Watching Tom Hanks as a hit man for the Irish mob is a little like seeing Jimmy Stewart as a serial rapist it just doesn't work. I
A group of us watched this film are were really disgusted. We were willing to forgive the fact that our favorite character Jo was
This really is a great movie. I don't think it has ever gotten the recognition that it deserves. I have bought this movie on VHS ar
Gung Ho was a good idea, however it is to much to ask Americans viewers to understand the dynamics of American jobs and
This movie was a really great flick about something that affects us all. I know I've personally run into this many times. Thank g

Before you dismiss my post as "not getting it", let me say...I'm one of the biggest Richard Kelly and "The Twilight Zone" fans o
I watched the un-aired episodes online and I was so sad that the show won't be back. It had the best cast of mature, talented
I would almost give it 10 out of 10. However, there are some confusing parts as well as sections that are miss-leading which h
I saw the film twice in the space of one week, both times the at a cinema in Orpington, Kent, UK. The place was packed both t
This movie completely ran laps around the original Dolemite. It had everything that makes a movie great..except for real actors
First, let me say that I find films like Shawshank Redemption and Green Mile, and most of Spielberg to be absolutely horrid an
Clayton Moore made his last official appearance on screen as the Masked Man in director Lesley Selander's epic adventure "T
A Nightmare on Elm Street: The Dream Child, the fifth installment in the Nightmare on Elm Street series and the worst sequel
I think the biggest disappointment in this film was that, right until the end, I expected the acting instructors of the cast to break
Enter the Ninja (1981) was the first of several "Ninja" films produced by Cannon starring or co-starring Japanese sensation Sh
As with so many modern US films, there has to be a supernatural element to the plot, but if you just let that go, this is a tale wi
Walt Disney & his 9 Old Men put their own 1950 spin on the classic fairy tale of Cinderella, which I guess you could say helps
I just saw this delightful Japanese feature film at the 5th Annual Roger Ebert Overlooked Film Festival in the historic Virginia T
Fantastically written, acted, and produced! Loved seeing this gleaming, talented cast -- every single one of them -- give a such
She may have an Oscar and a Golden Globe, but this film shows why she also is a perennial Razzie nominee. To do a film tha
In a word, god-awful... too many plot holes.. um, yeah... Who takes their kid to dig up a dead body in the middle of the night? a
I used to watch this show when I was growing up. When I think about it, I remember it very well. If you ask me, it was a good s
I knew about this as a similar programme as Jackass, and I saw one or two episodes on Freeview, and it is the same, only mo
A competent comedy that delivers the laughs for fans of Jack Lemmon and Walter Matthau. I suppose this film was made for t
Fabulous actors, beautiful scenery, stark reality. I won't elaborate on all of the other reviewers' comments because you get the
My Favorite part was when the credits started to roll. I wish I could give it a .0000000000001 out of 10. I really wish I had that
It was a doubly interesting experience. For some reason the greatest scientific mind of the 20th Century had never been the c
This was one of the first color films I have seen at the cinema when I was a child. It is good to remember it. The girl, Liz Taylor
Id just like to say that the film was good and touching. The film explains to you the real meaning of being saved or born again
No artful writeup here because it doesn't deserve one. Not an art film. Not even one of those 'hidden' gems. You know, like the
I suspect this board will soon be full of comments from over-emotional people praising "Dear John" as a "pearl" and a "rollerco
I really liked this movie, it totally reminds me of my high school days. The soundtrack is awesome. I am a huge nic cage fan an
This is the third parody of the scary movies and hopefully the last. This time the spoof is mainly on The Ring, Signs and 8 Mile
Hello, I was alanrickmaniac. I'm a Still Crazy-holic. It was just another movie I watched partly on TV. Then I had to get the vide
When watching this show you are not quite sure whether it is the story or the acting that is more annoying. First of all, the story
In the 70's in Afghanistan, the Pushtun boy Amir (Zekeria Ebrahimi) and the Hazara boy Hassan (Ahmad Khan Mahmoodzada
The series finally hits rock-bottom with this lousy fourth installment, which was (thank God) the last one. None of the three sec
Charlotte's deadly beauty and lethal kicks make the movie cooler than it'd be otherwise.The story is so poor and Charlotte's ch
How is it possible that no journalist or critic reminded us of the resemblance with that other better Flemish movie "Congo Expr
Words fail me whenever I want to describe my feelings about this movie (and the sequels)... Does it have flaws? Sure it does.
Oh dear oh dear. It really gets on my nerves when a low budget, pointless horror affair tries to look interesting in the credits by
Obviously, there wasn't a huge budget for this film which definitely hindered the production. But the story and ending were so
"You can survive anything". Anything except a dumb horror flick. The director couldn't even decide whether he wanted a demo
I'd have to say this is one of the best animated films I've ever seen. I liked it the first time but really appreciated it on the secon
Watched this with my girlfriend after stumbling over it while zaping channels.

I guess we both hoped for some kind
This is one of the very, very few films that are so overwhelming that you are very unlikely to watch it more than once or twice i
Seven months since a revelatory viewing of Faces, I finally found a rentable DVD copy of Cassavetes' first feature. Shot on a
Poor Jane Austen ought to be glad she's not around to see this dreadful wreck of an adaptation. So many great Jane Austen n

Annoying, static comedy with a painfully miscast Peter Sellers as a smarmy, self-centered Casanova who always has his way
This is supposed to be well-researched and based on fact. How come therefore that it's so packed with McGovernisms. Did th
One of the worst films of it's genre.

The only bright spots were Lee Merriwether showing some of the sparkle she w
The movie's premise is spooky: a woman gets pregnant when kissed by a stranger in a bar.

But as soon as the mo
This movie is engaging from start to finish with excellent performances, a great soundtrack with original music by Douglas Bro
I was reticent to see this flick before reading the external reviews and user comments posted here. Why? Firstly because Mick
The plot doesn't begin to describe the film: a man is writing a film, or rather, *this* film. It's totally self referential to the point tha
This movie is a brilliant lesson on Japanese history set in at the end of the Tokugawa Shogunate shortly before the Shogunate
First off, I want to say, "Thanks, Disney, for finally releasing the "Cinderella" movie on DVD! Now you have all the Disney anim
This film has to be as near to perfect a film as John Ford made. The film is magic, a masterpiece, the reason Ford was, well F
This film just doesn't work. No two ways about it. I saw it for the first time back in '98 when it was released and I didn't like it. I
One of those Thank-God-I-don't-live-there documentaries. This one tells of two warring factions in Colombia, guerrillas and pa
While most movies that pit humans against horrendous extra terrestrials end up being cheap imitations of the 'Aliens' series, F

This is one of those little Christmas movies for everyone. Our Scrooge is Ben Affleck, who decides money is not enough, so h
This movie should be required viewing for all librarians or would-be librarians. All of the best lines are directly related to librari
Being a Harrison Ford fan I am probably being kind. It was predictable, sappy...my husband made a lot of gagging sounds wh
I first caught the movie on its first run on HBO in (probably) 1981 and being 15 years old I thought the movie was hilarious. I re
Usually when I don't see a show on an original run, I find it later on cable and realize it's a gem. The "Gimore Girls" is one of th
OK, I read the director's comment about this movie (featured as the 'frontmost comment'), and I have to admit that I can identi
...and even then, even they can live without seeing it. To be honest, this film (if one deigns to call it that) is of real interest only
I just watched this for the first time in a long time - I had forgotten both how imaginative the images were, and how witty the m
In this flame of emotion we are introduced to several different high-school youngsters during one eventful day at school. All of
i just got done watching this movie and i have to say, it was a good film, i loved some of the good guy's and i loved the killer ro
The majority of Stephen King's short stories are little gems, with original ideas that don't take a long time to develop; basically
Wow this was a movie was completely captivating I could not believe that I started awake so late to watch it but it came on late
This is a low budget, well acted little gem. Alice, a small town Massachusetts teenager, fed up with her existence, takes to the
One look at the rating ought to tell you this movie was voted on by shills, in an attempt to artificially boost this film's ratings.<br
Well I had the chance to view this film the other day. I didn't know what to expect as I never saw the trailer and such... but wha
When this show began it was fairly interesting: we got to see what crab boat fisherman had to go through during the crab-catc
I say this. If you want to see art, you go to an art gallery. If you want to see a movie, you go to a theater. Trying to intertwine a
A lawyer is drawn into a deadly game of cat and mouse when he becomes involved with a femme fatale in this adaptation of a
Simon's carefully written dialogues are truly electrified by Matthau and Burns. You can literally hear the script crackle. There a
I've read the positive comments on this movie. I assume people who were in this movie must've come to this site to give it som
How I got into it: When I started watching this series on Cartoon Network,I have to say that I've never seen anything like this,a
Using Buster Keaton in the twilight of his career was an interesting choice. He may have been the most talented comedian of
This is a great movie. Too bad it is not available on home video.
I am from the Dallas/Fort Worth area and lived in Arlington for a few years. This movie was way off as far as making it look like
First of all, I saw this movie when I was 7 years old at a Christian Scholl I attended. Needless to say that I was scared out of m
Directed by the same Jin Ishimoto that put Neoedision and flixer.com (a once promising online film community) temporarily ou

Well, I suppose the good news concerning William Winckler's 2001 opus, "The Double-D Avenger," is that it manages to unite
I really really love this show! I have always liked the 1990's shows of Space Ghost! This show was hilarious and I can't believe
If you want to really terrify people, choose the Devil as your subject. After all, a good deal of the population believe that he is r
Xizao is a rare little movie. It is simple and undemanding, and at the same time so rewarding in emotion and joy. The story is s
Sundown - featuring the weakest, dorkiest vampires ever seen, accompanied by one of the most unfitting, pretentious scores
City Hall takes on the politics of a city rather than country, state or any sort of major political table. Granted it shines on New Y
The main reason for watching this picture is to savor the brilliant performance of S. Ephata Merkerson. Ms. Merkerson domina
This film is without a doubt the worst action film I have ever seen. I am sorry, but it is just pathetic. In fact, the best part of the
...about this film was the title song. After 30 minutes, I discontinued watching because it was so lame. Bad story, bad actors, b
I love the other reviews of this movie. They mirror my attitude. I am a 70's sort of guy, minus disco and "Star Wars" childishnes
I was to young to ever know much about prince but in the past few years I've seen a lot of Purple Rain Novelty Tee's and i tho
Lost has been one of the most mesmerizing and thrilling experience I've ever seen. Not only it's the mother of coincidence, bu
Walking with Cavemen, hosted by Alec Baldwin, is a look back at all the hominid (that's us!) species of the past 5 million years
Vanilla Sky is a 2001 remake of the 1997 movie Abre Los Ojos (Open Your Eyes). And in my opinion, a much more human an
As Alan Rudolph's "Breakfast of Champions" slides into theaters with little fanfare and much derision it makes me think back t
Dallas stars Gary Cooper, Ruth Roman, Steve Cochran, Barbara Payton & Raymond Massey. It's directed by Stuart Heisler, p
Man, did this film stink! It's obvious this film helped spurn Hollywood's need to churn out tired sequels to appeal to the masses
If there were a movie that deserved a 0 out of 10, this would be it. 'House of the Dead' redefines the term "bad movie". Other b
"The Cell" is a rather difficult film to classify. If you read the plot outline, "a psychotherapist journeys inside a comatose serial k
This movie is like so many biopic TV movies I have seen: formulaic, exaggerating, poorly acted, and most importantly, happen
Okay I had heard little about this film, so when it came on the movie channels on TV, I wanted to watch it, being a horror aficio
This 1997 film-blanc classic tale of smoldering passion has achieved its well-deserved legendary status as one of the screen's
This film starts with a pedestrian setup before blundering into the standard sort of suspense action where an office worker kee
This wretched psychodrama uses every shabby device in the book to wheedle attention and sympathy from us for its characte
I don't think this cartoon was as bad as some may think. Of course, I was only five at the time it came out. But, I did find it very
The little girl Desi is so adorable... I cant think of a more beautiful story then this one here. It will make you cry, laugh, and beli
I began riding horses fairly recently, and, as anyone who has ever ridden should know, I fell in love with horses and their world
I loved the movie "Northfork". I knew nothing about the movie before watching it. Therefore, I had no outside influence or infor
This is the movie for those who believe cinema is the seventh art, not an entertainment business. Lars von Trier creates a noi
I gave this movie a very fair chance, and it betrayed me. This is very little more than a black and white excuse to bore the hell
I would like to say that I absolutely loved Campfire Tales! To me, it was one of the original horror flicks with a twisted ending. A
Remakes (and sequels) have been a staple of Cinema from the beginning of the media. It is pretty much a hit or miss venture
Maybe I'm missing something because I've read more positive things about The Man Who Cheated Himself than I have read b
I saw this piece of pseudo-intellectual crap a couple of years ago, and it is now making a comeback at the local film club. It us
Pixar has had massive success over the years with the full-length CGI animated movies they have made. "A Bug's Life" was t
Eva (Hedy Lamarr) has just got married with an older man and in the honeymoon, she realizes that her husband does not des
Excellent farce! Which, of course, is all it is intended to be. Thankfully there is neither a social or political message, nor is there
By 1909, D.W. Griffith had been directing films for the Biograph Company for about a year, and [SPA] working at a rate of two or
Another cult strikes again. This isn't a spoiler, because the REAL ending comes after you research the folks who brought this
I am deeply disturbed by some posts I am reading on the message boards for this movie, people saying it is actually a good m
The nearest I ever came to seeing this was a clip shown at a Gerard Philippe exposition in Paris about two years ago. I had n
Sorry this was a woeful excuse for a film.. a plot line so holey it resembled a block of swiss cheese and a butch of characters
This film should be seen by as many people as possible as it concentrates on the human rights problems in Burma. When I fir
After a big tip of the hat to Spinal Tap, this movie is hilarious. Anyone who grew up watching MTV will love it and if you didn't,
this is the worst film I've seen in a long long time, never mind the fact that so many useful things keep appearing on this island
I'm so glad I only got this movie for $5. Anime is expensive, no doubt about that. I've had my eye on this one for awhile and fir
this film was almost a great imaginative film. A mixture of shakespeare, pop, jazz, and faerie tales. This movie was an imagina

"The Eye 2" is the sequel to "The Eye". It's about a pregnant woman who is al
For me the only reason for having a look at this remake was to see how bad and funny it could be. There was no doubt about

About halfway through, I realized I didn't care about these characters in the least; however, I watched a bit more anyway. Reg
Just reading the reviews of this wonderful BBC mini series reminded me how much I enjoyed this when it was first broadcast r
Red dust is both well acted and well made but what the movie is about i think will bore many viewers as it did to me. There wa
What a wonderful documentary - I sat down thinking this would be a rehash of the bitchy stories told in Easy Riders, Raging B
It's not hard to imagine what the main problem for a screenwriter is who wants to have 18 equally well written characters with
Muscular 'scientists', unpleasantly thin females in swimsuits, lots of beer drinking.. Yet it's too long to be a beer commercial. C
Bloodsuckers has the potential to be a somewhat decent movie, the concept of military types tracking down and battling vamp
I really wish that when making a comedy, the people actually tried to make it funny. This is a film that you can sit through, but
As a Long Island independent film maker myself, and having have had two theatrical releases under my producing/directing b
I haven't yet read Kurt Vonnegut's Mother Night (though I've read other books of his, all outstanding pieces of satire and game
About two hundred members of a Cleveland, Ohio USA film society, named Cinematheque, gathered on August 19, 2000 to v
For a film that's ostensibly about sex and leather, it doesn't have any right to be as oddly sweet as it is. The story of Bettie Pag
Thank God! I didn't waste my money renting it but i downloaded it! This happens to be the worst movie i have ever seen in my
I watched the film recently and it poorly resembles the book is based on. I blame this on poor screenplay and direction. Some
Remembering the dirty particulars of this insidiously vapid "movie" is akin to digging into your chest cavity with a rusty, salted
Maybe I've seen one too many crime flick, or maybe I don't take the right drugs.

This was the most cliché ridden, p
It's as if the editor and screenwriter only had 40 minutes of real running time. This is supposed to be a remake of a Chinese fil
For the record, I hate spoof movies. Except for Mel Brooks and AIRPLANE! because those are classics and make fun of the c
As a child the first installment ("The Little Mermaid") was my favorite movie. It was filled with great characters, songs, and a fu
True, there are some goofs, for the one who wants to find them. They're not important, though.

The primary feature
I think I found the most misogynistic film of all time: Darklight.

The gist of the film- Lilith was Adam's first wife and s
This is a pretty run of the mill family move that I am sure most children will enjoy but with really no that much to please any ad
I was invited to view this film at a small art museum screening. I had no clue what to expect. I was initially optimistic in the ope
Okay, I remember watching the first one, and boy did it suck. After watching it, I just laughed it off and told myself, "oh boy, jus
One Out of Ten Stars

Because if it was, it gets an F. Holy Mother Mary of God was this bad. I mean, I gave it
A gave it a "2" instead of a "1" (awful) because there is no denying that many of the visuals were stunning, a lot of talent went
How many centuries will pass until the Japanese/Asian horror films abandon the long-haired ghost-woman shtick? Admittedly,
This episode from the first season slightly edges towards controversy with the whole gender bending angle.I imagine there wo
"Ashes of Time" was an audacious project but ended up being a pretentious movie. This film is a good example of how to tell
It opens - and for half an hour, runs - like an educational programme on the Old Testament, although not without humour. The
I don't know what it is with these Brady kids. First, Barry Williams publicly brags about having sexy with his TV sister, Maureen
I would like to tell you just a few things before considering seeing this movie. If at one point or another you thought you've see
Obviously the previous reviewers here are not fans of this genre, but I think this one is done quite well.

It's twistedly
Why should you watch this? There are certainly no reasons why you shouldn't watch it! Superbly and amusingly directed by A
I have just watched the season 2 finale of Doctor Who, and apart from a couple of dull episodes this show is fantastic.

What makes watching and reviewing films a pleasure is when every once in a while when you least expect it a film like The Ce
Every Sunday, a trio of buds get together at a NYC diner to boast about their sexual conquests of the night before. Sometimes
I've never seen the original movie others have commented on, so my perspective is just about this movie without comparison.
a really awful movie about a 30 meters long shark. bad story bad discussions bad characters bad plot even a confusing endin
From the portrayals of Andy Warhol in the films I Shot Andy Warhol and Basquiat, this is the type of movie I would predict And
I looked forward to seeing this movie, because the trailer made it look so cool. But the fact is that this movie is boring, and tota
For the life of me I can't understand the good reviews on this piece of crap. It was pointless. Matthew Modine was horribly mis
I didnt know what to expect . I only watched it on a rainy sunday afternoon on pay tv . Right from the start it drew me in . The r
It's a waist to indulge such great actors in such a weak and boring movie. Besides all the unanswered questions posted in the
This movie is beautiful in many ways: the plot, the depth of the characters, the stunning photography and acting, the kolossal-
This movie is just plain terrible. Poor John Savage had to stoop this low in order to be in another movie. He stars as a rare typ
This is a truly awful film. What they have done is taken a TV show, which was never aimed at young children & given it the Ge
Who? What? Where? When? Why? The acting was terrible. Very robotic, rehearsed. I have seen all of the actors in this film in
This has to be one of, if not THE greatest Mob/Crime films of all time. Every thing about this movie is great, the acting in this fi
this is a movie which reminds me of avatar- starring rajesh khanna from the 80's. the issue of parents-kids divide is interesting
This is one of those films that's more interesting to watch from an academic perspective than from an entertainment perspecti
i think dirty dancing was a great movie, they tried to make another one havana nights which was good but it was nothing like d
Saltmen is a long film for its genre, and quite often the pace is much slower than that expected by Western audiences. That
I'm not sure why Spike Lee made this train wreck of a movie and conned poor Stevie Wonder into eternally pairing his beautifu
Now this is a bad movie if I've ever seen one. In one of film's greatest years, 1999, Detroit Rock City contends with Runaway I
for me,this is not a good TV show,animated or otherwise.it is however,annoying to the nth degree.there are a few reasons for
This great TV movie told of the 1975 murder of Martha Moxley in Greenwich, Connecticut by a nephew of Ethel Kennedy. The
Julia Stiles is a talented young actress, who with guidance from a reputable agent has a lot of potential. Obviously, the person
I adored this, but I am an 80's kid. I loved Rainbow Bright my whole childhood. I don't know if little ones these days would be v
I remember watching this late at night on black and white TV, long before a live-action version was so much as a twinkle in Pe
A meteor crashes into Crater Lake, the heat from the impact causing a prehistoric egg to hatch.

Alright, so the plot
It does not seem that this movie managed to please a lot of people. First off, not many seem to have seen it in the first place (
Bobby and Mikey are two little boys who move across the country with their divorced mother to start a new life. Soon after the
I being of Puertorican descent, had mixed fillings about this "documentary". First I was offended that Ms. Perez compared Ser
I first saw this movie here in the U.K. in December 1989 when Central TV broadcast it. I still have the video tape, although wo
Charles Bronson continued his 80's slump with what could possibly be his worst movie of the decade, if not ever. In it he plays

FATTY DRIVES THE BUS is simply the funniest, most original and entertaining piece of work i have ever had the pleasure of
Ira Levin's Broadway smash comes to the screen with hardly any meat on its bones, a mystery plot with just a few tricks and t
I watched this film few times and all i can say that this is low budget rubbish and that it does not have anything to do with a rea
A wonderful story about the consequences of obsessive love with the beautiful romantic back streets of Paris as its location. W
Im watching it now on pink (Serbia TV station) and I must say this is a crap. Shallow, no acting, effects too sloppy I mean, wh
This is a story of a Jewish dysfunctional family. The parents have divorced and mom remains back east in the house. The fath
I saw this film purely by chance. It was shown very late, or more correctly very early one morning on television. I had woken u
This is a truly heartwarming film not just about love, but about learning about yourself and your values in life. Though the story
The only reason I rented this was because of the article in Fangoria Magazine. The article made this film look interesting. Wel
Early 1950s Sci-Fi directed by Lesley Selander. Special effects of course are very primitive, but pretty good in comparison to
This movie is so bad they should burn the master. You cant spoil the plot because this movie doesn't have one. The graphics
Primary plot!Primary direction!Poor interpretation.
I'm not sure what it is but there seems to be some curse when it comes to films about the elusive Bigfoot. There has yet to be
I have only seen this once--in 1986, at an "artsy" theater in Minneapolis...but I remember it like I saw it a thousand times this
Steve Carell stars as a person who you can relate to(sort of) in Dan in real life, a film which I expected not to like but ended u
The horror. The film about the Nazis - the Germans. The murderers of babies, young girls rapists ... For that they regret? Wha
I was lured to see this movie by its starpower, but ultimately that's all it delivers. It plays much more like a Greek tragedy than
This is an absolutely incredible film. It shows South African racism from the perspective of the victims, and provokes a feeling
Circus could have been so much better if they had reduced the number of twists and developed each better the film features
Mildly entertaining and self consciously cheezy -- but what else could it possibly be? Cushing in one of his poorest roles, and
Who made this film? I love this film? Somebody has a wacky sense of humor...

This Zany, Surreal style of film mak
I didn't like "As Good as it Gets" very much, but I am a big fan of William Hurt and Holly Hunter's work, so I decided to watch t
This is the best movie ever, but that is my opinion. Some say it's cheesy but I think it is truly a beautiful film. The chemistry be
This is a movie that has a lot of things that only Japanese people can understand. Even well translated, there are some things
I first was made aware of this film when I saw a preview before another movie. I was intrigued but it didn't get to see it before
This movie still chills me to the bone thinking of it. This movie was not just bad as in low-budget, badly acted, etc. although it
I have been collecting Iron Man comics since the early 70s and always enjoyed the character who is far far from the average
I used to watch this show when I was a little girl. When I think about it, I only remember it vaguely. If you ask me, it was a goo
"Dominique" is one of those films that the expression "slow-as-molasses" must have been invented for. Too many endless an
By no means my favourite Austen novel, and Paltrow is by no means my favourite actress, but I found the film almost totally d
As with most of Eleanor Powell's films, this one plays out along the flimsiest of plots. For some reason -- oh it is explained! --
Like many, this dung heap caught my eye while I was channel surfing. It's a horror film, set in the woods, it has a stupid title, b
I saw this in a theatre back in 1982. I expected a stupid T&A movie. That's not what I got.

It's basically about three
The efforts of a new group of young talent bolstered by Alan Rickman and Emma Thompson, 2 extremely gifted actors, make
Attend the tale of Sweeney Todd...The strangest, most off-putting, but most wonderful Broadway musical. It is chilling, funny,
If I had never read the book, I would have said it was a good movie. BUT I did read the book. Who ever did the screen write r
This is an absolutely horrid excuse for a show. People say its witty and intelligence? I don't see how? Maybe because the cha
I am a big fan of cinema verite and saw this movie because I heard how interesting it was. I can honestly say it was very inter
Imagine the most depressing winter you will never experience: grey instead of white, no snow fights and certainly no wonderl
This movie was the most horrible movie watching experience i have ever had to endure, and what is worse is the fact that i ha
Great little short film that aired a while ago on SBS here in Aus. Get a copy if you can - probably only good for a few viewings,
I find it hard to believe that this movie has such a low rating. It is arguably one of the best comedies ever made, and surely th
Those two main characters Erkan and Stefan are a munich comedy act. I was wondering if this is one of these typical slapstic
I can see why Laurel and Hardy purists might be offended by this rather gentle 're-enactment', but this film would be an excell
This was a really cool movie. It just goes to prove that you don't need silly litle things like continuity and scripts to make a mov
i really liked the first 2 seasons. because a lot of good characters disappeared later on. like most shows are kinda slow at first
American boy Jesse took the train to Vienna in order to take the plane for USA. On the train he met a French girl Celine. Altho
As I have said before, I am NOT a fan of Tweety. He's just so aggravating I wish Sylvester would just eat him and get it over
In a bizarre experiment, an astronaut is abandoned on the moon as Alice (Florinda Bolkan), a troubled translator living in Italy,

Loved this film. Real people, great acting, humour, unpredictable. The characters were believable and you really connected w
Sadly, this movie did have potential with such a willing cast, but everything was so poorly thought out and poorly executed. I d
This is actually the first movie I ever saw in a theatre , where the people didn't leave immediately when the end credits started
This game was made by Sega. Being made by Sega I didn't expect much, but I also didn't expect this junk either. For starters
Ida Lupino is trapped in her own home by crazy Robert Ryan in "Beware, My Lovely," a 1952 film from RKO. Lupino and Ryar
I think Walter Pidgeon was badly miscast in this film. Just not believable in the role. Barbara Eden was beautiful, and acted he
Seriously, Sci-Fi needs to stop making movies. They're all horrible. And this one had John Rhys-Davies in it, and he couldn't h
So one person says, "This movie is a beautiful, delicate exploration of West German life after World War II." And the other say
I just adore this film! I love all characters and I can watch it again

and again...and I use to listen to the soundtrack a
This was the very first kung fu movie that I have ever seen. The dubbing is not the greatest but alot better than some that I ha
I went to see this movie at our college theater thirty years ago because I liked Bruce Dern in Silent Running and Family Plot. T
This film makes several nods to various science fiction films. The prologue reminds me of the one for the original theatrical ve
This was a movie that, at the end, I thought "Now that was an enjoyable 2 hours!" I hate spending around $20 (not including b
Superb cast, more please!

If you can catch just about anything else written by Plater (or starring these wonderful a
I have to say that I really liked UNDER SIEGE and HARD TO KILL.

watching Seagal doing his funny martial arts o
Made in the same year as "Vertigo," this is an equally bewitching movie, though in a much lighter vein. It's set in an enchanted
First of all , you should watch this only if you don't mind the lack of subtitles , pornography , kinky sex and utter , horrifying and
Victor Mature, as a barely civilized and mostly out of control mountain man and trapper, may be on the poster, but Robert Pres
A team of archaeologists uncover a real treasure the Crown of the Queen of Sheeba. From Egypt, the crown is to be trans
I can confidently say that this is the worst film I have ever seen, and I usually love foreign films. The movie is nothing more tha
James Stewart and Margaret Sullavan play co-workers in a Budapest gift shop who don't really like each other, not knowing th
I saw this film again and noticed how close it is to the novel if we ignore the part about Cary's [Leslie Howard] childhood. Cons
Touching and sad movie. Portrays the trials and tribulations of a writer trying to come to terms with paralysis caused by a cycli
In the history of cinema, every great film-maker had to create a first film. Many times when viewed after they have become a s
The credits come from the Sandy Frank stitching job that was made to turn this movie into Cave Dwellers for re-release. Now
I've only ever seen this film once before, about ten years ago. I bought the DVD two days ago and after watching it I think it is
This movie started out confusing and grew into one of the best movies I have seen... The acting was utterly superb and when
This film, though ostensibly a comedy, is deadly serious. Its subject is Imperialism (with a capital I): how Britain, foolishly, hum
Don't be swayed by the naysayers. This is a wonderfully spooky film. This was a thesis project for the writer/director , JT Petty
Let me state first that I love Westerns & Civil War stories. I also consider John Ford as an excellent director. I also have the sa
The brief existence of The Sex Pistols and the making of this film after the controversial, groundbreaking English punk band's
Now, many would think to stay away from this movie just because of the title. If you do not have the stomach for gory movies,
Well, on it's credit side (if it can be said to have one), Timothy Hines DID manage to capture the original setting of H.G. Wells'
This movie was my first touch with Mr Sica so I really didn't know what to expect. But what I saw just broke all my expectations
This is my fourth Joe McDoakes short that I've seen and so far the funniest one. In this one, Joe takes voice lessons from a re
It all started with True Heart Bear & Noble Heart Horse get the club to safety. Noble Heart Horse meet Dawn & John & took th

Mansfield Park, in its second half, is my favorite of Austen's novels, and Fanny Price my favorite of her heroines, so I'm sadde
The great thing about Thirst, Chanwook Park's latest film, is that it's the anti-Twilight. Some of you may take that as a minus, b
Fascinating downer about a would-be male hustler in New York City forced to live in a condemned building with a crippled con
If you think piano teacher Erika Kohut (Isabelle Huppert) in Michael Haneke's film "LA PIANISTE" is the ultimate degree in the
This is a rather dull movie about a scientist that creates a teleporter device and gets horribly disfigured when he uses the mac
A Lassie movie which should have been "put to sleep".... FOREVER. That's how I'd describe this painfully dreary time-waster
This is an excellent movie. There were several parts to the movie I liked. This movie is very funny! Visit the Ernest fun club we
This is not the best movie you might ever see, but it still is very refreshing. Of course, it has it's flaws, it has it's humbling mom
The first time I watched this show it was OK. There were some funny moments and I laughed a couple of times but this show i
Preposterous twaddle executed in a bewilderingly amateurish and inept way -- or perhaps several since the incredible lack of
Trying to compare or represent this "swill" as anything "Hitchcockian" is an out-n-out attempt to mislead Hitchcock fans to was
Okay, I'm not sure if this counts as a spoiler so i just ticked the box anyway to save the hassle.

I've noticed that the

This is a worthless sequel to a great action movie. Cheap looking, and worst of all, BORING ACTION SCENES! The only dec
Writer-director Brian De Palma is best known for his string of films that have been called, somewhat unfairly, "Hitchcock imitat
This is shallow hedonism and/or social commentary wrapped in a tragic tale about a jealous young woman's scheme to drive a
What a production, what a waste of screen-time and money. Here is what some european so called producer think, of a scifi n
"Ask the Dust" looked intriguing from the trailer, and we especially like all of the actors. Unfortunately, the movie was not comp
Enchanting, romantic, innovative, and funny. The vision of this extraordinary film is almost unparalleled, exceeding better know
Quite liked Flesh and looking forward to Heat but couldn't help but feel Morrissey grossly exploited most of the "performers" fe
You better see this episode from the beginning, because if you start to watch it any later, you will be confused as to what is ha
I went to see this film yesterday and although i didn't have high hopes for this film, I was still bitterly disappointed! I actually ca
I got to see this film at a preview and was dazzled by it. It's not the typical romantic comedy. I can't remember laughing so har
Forgive me, but this work of director Peter Hall is horrendous. If you can't get to us with the plot, why not kill someone's cat or
First of all - I'm not one to go all sappy over movies. I saw Friends in the 70's when it was first released. I was about 17 years
Chucky (the murderous doll from "Child's Play" and 2 crappy sequels) is dead. But his ex-girlfriend Tiffany (Jennifer Tilly) gets
1st watched 8/31/1996 - (Dir-Tim Robbins): Very thought provoking and very well done movie on the subject of the death pena
She is such an extraordinary singer, who cares about anything else!!!! That final scene is one of the best moments in all of sho
James Franco is totally cool in this movie. Not just handsome and charismatic but genuinely open and vulnerable in a sincere
As a "cusp-pre-baby-boomer"...born in 1944, IN Los Angeles; thereby having the dubious distinction of having been alive while
The best screen performance ever by George C. Scott. The screenplay by Chayefsky, the irony-freighted dialogue, is near pe
A true story about a true revolution, 25 of April ; a revolution against a repressive regime of 41 years, that was imposing a colo
Lavish production values and solid performances in this straightforward adaption of Jane Austen's satirical classic about the m
Hal Hartley has been likened to a modern day William Shakespeare, by virtue of the fact that he gets his actors to deliver their
First of all, if you'r a fan of the comic, well, you'll be VERY disappointed I'm sure ! Low budget movie !!! Largo is supposed to b
I found this dvd in the store and figured, why not support some indy film and watch a cool horror flick. Please save your time a
I really wanted to like this, but in the end it's a poorly made film with too few laughs.

The politics are spot on, it's go
I found The FBI Story considerably entertaining and suitably upbeat for my New Years Day holiday viewing. Its drama and act
Before I begin, you need to know that I am a huge fan of many of Sonny Chiba's films. His biographical series of the life of his
Given that Roger Corman attached his name to this production, I had high hopes for this film. Corman directed many memora
I remembered this show from when i was a kid. i couldn't remember too much about it, just a few minor things about the chara
Still funny after all these years. Midnight Madness is good entertainment for all ages. It introduces Michael J Fox as a typical 1
"Four Daughters" begins as just another clone of "Little Women" type melodrama. A single father with four musically talented
Can I be as simple and primitive in my evaluations as to simply say "I liked it"? It's reasonably funny by bits, it got great stars a
The "good news" is that the circus is in town. The "bad news" is that's right over Bugs Bunny's underground home. He wakes
The basic premise of Flatliners is fairly simple. Several medical students put themselves at the point of death in order to find o
Tom Fontana's unforgettable "Oz" is hands down one of the greatest television series ever created. Brilliantly written, acted, a
I remember my parents not understanding Saturday Night Live when I was 15. They also did not understand Rock n Roll and
I first rented this movie on the infamous day of September 11, 2001. Since then I've seen it a number of times. My only compla
I really enjoyed this movie. The script is fresh and unpredictable and the acting is outstanding.It is a down-to-earth movie with
Dr. Pena (Giancarlo Esposito), a "crypto-zoologist" (fancy term for one of those self-deluded losers who likes to study extreme
I rented this film courtesy of Netflix, thinking I would receive the 1972 version. I sat clueless, watching this new version, thinkin
Stupid horror film about five 20 somethings (3 guys, 2 girls) going to this place in the middle of nowhere. What they don't know
I love horror movies that brings out a real amount of mystery like say "silent hill" (which i found to be quite good, but still, was
I thought this was one of the most depressing holiday movies I have ever seen--the others being THE Christmas WIFE and JA
This movie is inspiring to anyone who is or has been in a tough jam, whether financially or emotionally. You will definitely laug
This movie is an amusing and utterly sarcastic view of pop culture and the producers thereof. I was impressed with the photog
I rented End Game, having never heard of it, but I'm fond of political thrillers so I thought I'd give it a shot. After doing some re
I've seen thousands of movies and have never written a review, but the Red Eye I witnessed is so at odds with the glowing trib
This is an excellent B-film horror movie that borders between horror and comedy. It is about a genetically mutilated scorpion in
Just to save you the $3, or whatever it costs to rent movies at your local video store, and the anguishing hour-and-however-lo
This is my first CG animated film that I've ever seen. Usually, the look of other animated films made me reticent to see them. N

This is a run-of-the-mill nature porn movie. By porn, I don't mean sex. I mean gratuitous images of (for example) thousands of
The critics were like "a movie that will break your heart" etc. So a friend of mine and I had great expectations when we decide
i was extremely excited for this movie! my expectations were under control because i read the book first sooo i expected differ
LIGHTS OF NEW YORK was the first "all-taking" feature film, coming in at a brisk 57 minutes and directed by Bryan Foy (of th
Sadly,this is not 'the best British gore film since hellraiser', though the DVD cover claims this, which is what tricked me into bu
I give this nonsense a 2 instead of a 1 because there is a worse show called Haunted Homes. But this kid and his buddies co
I'm warning you -- this movie is not scary. If you're a horror movie fan, especially a Child's Play fan, you'll think it's incredibly fu
Where to Begin, I like the scary snow-monster named Jack Frost. The whole concept works well for me, we thought he'd be b
I'm surprised to read all the positive comments on this movie. Even my 4 and 6 year old were bored. The chipmunks are cute.
I sought out this film for one reason--Al Adamson. He is among the worst directors of all time--right up there with Ed Wood, Jr.
Sleeper Cell attempts to swim both sides of the pool (terrorism/patriotic Muslim Americans), and it does neither very well.<br /
I kind of liked The Lonely Lady. Give Pia a break. She looks great and she has really nice eyes. What's not to like? The scene
First of all I must admit Batman: The animated series is the best batman series by far. We watched it when it used to be on TV
What a surprise this film was. I've seen a good few of Fulci's horror and zombie flicks and was amazed that this was by the sa
The original show was so much better. They should have left on a good note. This movie killed the whole idea. It was boring,
The Patriot is a well thought out, well produced film, that will draw the viewer into the story directly, and keep them involved to
James Bishop (Matt Stasi) goes to a `mental illness facility' for a medical residence assignment with Dr. McCort (Bruce Payne
This film was great! I love the way it mixes dark humor with drama. There are times when you think there is no possible way y
2001 wasn't perhaps Eric Roberts best year. Both Raptor and this came out. Watched Raptor a while ago and really thought it

When I went to see this movie i thought that this would just be another chic flick i would have to endure with my sister. Plus too
I saw this 25 years ago on PBS. It was very difficult to watch. So real. To watch this small family struggle in the winter was hea
Now, admittedly, I'm no ardent student of the genre. As a matter of fact, I've tended always to shy away from Westerns becau
This film is, far and wide and beyond any shadow of a doubt, the single worst and most contemptible film in the history of the u
I always hated this retarded show .I liked the shows of Cartoon Network like "Dexter's laboratory " or "Megas XLR .But I never
The acting was bad, the script was bad and the ending was just terrible...the only good comment i could make about this movi
Wow... what would you do with $33m? Let me give you a choice; you can either a) shred it and flush it down the toilet or b)ma
The Sensuous Nurse (1975) was a Italian sexual comedy that starred the one time Bond girl Ursula Andress. Man was she ho
In the bygone days of the Catholic Church, a sin-eater was an individual that, through ritual, would take the sins of a dying per
For the main criticisms of the movie... The love story: that wasn't a love story. Those were two people distraught coming toget
This is one of my all-time favorites. Great music and some funny bits. I laugh every time at Millie, the maid pretending to be a
In the same tune as his Americana Drums Along the Mohawk, John Ford captures American history in a way that is fictional y
This move is bad on so many levels I don't even know where to start. OK - the good points - Peebles is beautiful as a dirty out
I am not one of those who think King is a great writer, his books are fine distractions for a few hours, and often have interestin

This early Adam Sandler film could be compared to his life as a comic during the same period in 1989. His character's consta
The twins effect is a vampire martial arts movie available in Cantonese with English subtitles. It is a Jackie Chan production a
There are many film now on DVD, but producers had forgotten some tittles of importance to many moviegoers. The Egyptian,
This is a terrible movie, that is barely recognizable from the book, although they have sort of similar plots. The time it takes to
I am only 11 years old but I discovered Full House when I was about five and watched it constantly until I was seven. Then I g
You know, this movie reminded me so much of so many people I know, I think that's the reason why I loved this movie so muc
Wow, this was another good spin off of the original American pie, not as good as band camp, but definitely a lot better the nak
I enjoyed the first "Toxic Avenger," but the sequel just didn't work. There are some funny gags in the opening, involving memb
New York, I Love You finally makes it to our shores, but its 10 short stories on love somehow didn't find reason enough to be
This movie makes you wish imdb would let you vote a zero. One of the two movies I've ever walked out of. It's very hard to thi
Space Camp, which had the unfortunate luck to be planned around the time of the Challenger accident, deserves such luck. T
Octavio Paz, Mexican poet, writer, and diplomat, who received the Nobel Prize for Literature in 1990, said about "Nazarin": "N
Having watched 10 minutes of this movie I was bewildered, having watched 30 minutes my toes were curling - I simply couldn
One of quite a few cartoon Scooby Doo films, "Scooby Doo and the Loch Ness Monster" turns out to be entertaining, exciting,
This is one of the silliest movies I have ever had the misfortune to watch! I should have expected it, after seeing the first two, b
For some reason my father-in-law gave me a copy of this tape. I think because my great uncle, Buddy Baer, was the giant in t
It may be hard to explain how, but this film is a masterpiece. Perhaps, because i never imagined that a plot like this or a film w
This show is the worst show ever! Norris and his family write it, produce it, direct it, etc etc. The only reason I ever see it is bec
This only gets bashed because it stars David Hasselhoff. Well, then let me bash it to. Compared to the garbage they call horro
Was curious to know the name of the Tuscan village where the filming in Italy was done. I know the villa's name: Villa San Gir
Just saw the film tonight in a preview and it's a film for kids only. It does not improve or add to the original Disney film in any w
London 1862, a young orphan named Susan Trinder (Sally Hawkins) grows up amongst the petty thieves known as Fingersmi
The movie uses a cutting edge title for a lame story. Kill Kill, would have been nice. The movie incorporates taboo scenes to m
College girl Joanne Murray takes on the unenviable job of readying the student housing building to become apartments,which
In a genre by itself, this film has a limited audience and narrow appeal coupled with a subtle undertone which permeates the e
This is one of the great modern kung fu films. A lot of the reviews seem to miss the point that the comedy is based on a quite
I for one was glad to see Jim Carrey in a film where being over the top wasn't the goal. His character is like all of us. Wanting
This "screwy comedy" seems very forced. Indeed, the actors TRY very hard to make a go of an essentially unfunny script. An
Time and time again, it seems that the comedic actors of Hollywood are surprising me with their talents as dramatic performer
HUNT FOR JUSTICE is a Canadian television drama that has made it to DVD and that is reason for gratitude for those who h
This is a pretty faithful adaptation of Masuji Ibuse's novel, "Black Rain." Like the book it is very moving and thought-provoking.
The play Bell, Book, and Candle was a favorite of mature actresses to do in summer stock and take on the road. One famous
Gday Mates! just watched Croc Hunter the movie. it was alright but the show seems more real. this just seemed like a longer
As someone who lives near Buffalo, New York, this movie scored points with me before I even saw it, since the story is based
This film exceeded my expectations. I thought and have heard that it was going to be rubbish, so i wasn't expecting much. Ho
Even though this is one of the worst movies I have ever seen, I would recommend this movie for anyone who likes good pyrot
I felt cheated out of knowing the whole story. While there could be a twist, this twist was so significant, that I felt betrayed. I be
The '80's were the best of times and worst of times for James Karin, he starred in one of the best cult horror-comedies with "R
If it would of had Jack Black listed as the leading actor I would of stayed away from this movie right away. It actually makes so
Maslin Beach is a real nudist/naturist beach south of Adelaide, on the Fleurieu Peninsula, in South Australia. It is also the nam
I found this to be a profoundly amusing dark comedy. Brosnan is genius; as anyone will now testify, he is not to be pigeonhole
Hm. Where do I start? I usually ignore whatever rating IMDb has when looking up a movie because I think I might like it anywa
Just about everything in this movie is wrong, wrong, wrong. Take Mike Myers, for example. He's reached the point where you
We're living in sad times today, in which it seems like every comedy movie and TV show is painfully unfunny and inflicted with
This is what I was expecting when star trek DS9 premiered. Not to slight DS9. That was a wonderful show in it's own right, how
I watched DVD 1 only. The program proper may have 10 minutes of good information; otherwise it's snotty putdowns of religio
This movie's heart was in the right place, no matter where its brain was.

"Attack" is basically a spoof a la "Airplane!
Bottom has been my favourite sitcom ever since i saw it on t.v and the movie is even better if your a bottom fan i say this is a
This movie was great! It was an excellent rendition of an ancient myth. The animation was somewhat odd, but nothing new fro

I won't go into too much detail about the plot of this movie as other reviewers have covered pretty much the same ground.<br
This is one of the first films I can remember, or maybe the first one. Exactly the beautiful kind of film than introduce a kid, swee
This film is about so many things. Most obvious is the hold that film can have over an audience and how capturing life on film
This TV adaptation of Sarah Waters' novel was so lovingly done I can hardly find the words to appreciate it. Not since "Tipping
This movie was absolutely terrible. I can't believe I paid to see it in the theatre. I wouldn't watch it on free cable t.v. I'm surprise
I bought this movie just to see Bam because i was really loving him, but after seeing this i don't like him much. I mean, his acti
I used to love Sabrina The Teenage Witch and have seen every single episode. I remember when I used to sit at 6pm every n
This movie looked good - good cast, evergreen topic and an explosive opening. It went downhill from there. Why was it filmed
Admittedly, I watched the MST3K version of this, but it's not actually too bad outright, at least compared to others which deser
Since the day I saw this film when it came out in 1981, it has been one of my top 3 favorites. The blurb I wrote for Amazon is b
Robin Hood; Men in Tights is worth watching, I recently watched it because I've just become a Cary Elwes fan, and this is one
Yet again, director J. Lee Thompson unites with actor Charles Bronson for a violent and uncompromising action flick. In fact, t
This movie is an example of small budget,ineffective star cast,weak storyline and poor entertainment. This kind of movies are
After, I watched the films... I thought, "Why the heck was this film such a high success in the Korean Box Office?" Even though
It used to be my thinking that movies required plots, or some other means of making you care at all about the story line or any
If you haven't seen this movie than you need to. It rocks and you have to watch it. It is so funny and will make you laugh your
This is a truly remarkable piece of cinematic achievement. From the very start I was utterly hooked into the (true) story when L
I didn't expect much from this TV movie. You have to set the bar lower than you would for midget limbo for any TBS movie sta
Badly shot, badly edited, clumsy dialogue, flat characters, unsuccessful adaption of a novel. It doesn't really get much worse.
There's something rotten about this film, and basically the way it turns a sinister and twisted character into a hero by exploiting
I mean really, how could Charles Band the head of Full Moon let a total stink-ball like DEMONICUS out. I mean it should neve
From the acting, direction, scriptwriting and art direction this film is just entirely ill conceived and the money would have been
I don't know if I hate this movie as much as I did when I watched it two weeks ago, but if you're expecting the events describe
Kudos to director and cast for such a realistic film. The grittiness, lack of glamor and desperation drew me into the film and ke
A very funny movie. It was good to see Jim Carrey back in top form. It was definitely worth the price of admission. Morgan Fre
Visconti's first film has all his trademark visual flair and immaculate technique, accompanied by compelling performances from
Let's think people , quit bad-mouthing the original , for it's time the original Battlestar series was a masterpiece , even still with

I really wanted to see this film - I thought the plot was really unique and intriguing. A cop (Andy Garcia) has a son who is dying
It is important not to be insulted by lack of logic or common sense and those who have any "gray matters" will agree that this
While its not the masterpiece that "Le Samourai" was (I've accepted by now that Jean-Pierre Melville was never able to top tha
Decent animation and some workable character development keep this animated horse fable from DreamWorks at least watc
Not well done at all, the whole movie was just the Grudge going around and killing random people out of nowhere. Random pe
Plunkett and MaCleane are two highwaymen that rob from the rich in order to give to ... well, the rich; comparatively, they ARE
Despite excellent trailers for Vanilla Sky, I was expecting to be disappointed by the film because I'd heard that it did not get gr
I thought this was a really well written film. I've heard of Radio the person before this movie was even created and I can't begi
We picked this up as a part of a Brentwood set, under the title "The Broken Skull." Shot directly onto video, with widely varying
Director: Tay Garnett, Ford Beebe, Cast: Mike Mazurki, Vic Christy, Fritz Ford, Tay Garnett.

Based on the number
Going into the movie with the right expectations, I somewhat liked this movie. Like most reviewers who have seen this movie,
This disaster flick is a remake of a 1973 movie of the same title, based on a novel by Sakyo Komatsu. Japan is located right a
My only reason registering to this site was for the opportunity to write a comment to this movie. I felt that I had to get rid of son

There were some scary scenes, which I've always liked more than straight out gore, but otherwise this movie was rather weak
This movie is wonderful. It always has been always will be. I'm mean really what is better then a house maid falling in love. Wa
The premise of the story is common enough; average family wants out of the rat race; wants to find the simple life....so they m
A comedy of epically funny proportions from the guys that brought you South Park, and most of the guys from Orgazmo. This
To Be Honost With you i think everything was so good in this movie there should be no reason why it didn't go into theaters,Th
I saw the trailer of the film several times at theater and I excited. It looked like a classic action thriller like the ones made in 199
Based on the excellent novel, Watchers by Dean Koontz, is this extremely awful motion picture that probably shouldn't be view
The movie is about two brothers that are supposed to be alike - but are not in any way expect for being smart - one is a surge
I deliberately did not read any reviews of this movie on IMDb before I watched it because I really wanted to see it and make up
This film had a couple of funny parts,but for the most part, made me want to go ahead and change DVD'S and watch "Malibu's
Poor geeky Marty (Simon Scuddamore) gets horribly burned due to a cruel April Fool's day stunt gone very wrong. Flash forw
How in the world does a thing like this get into my DVD player at home? How does it even get to be packaged and distributed
Joyce Reynolds seems a might grown-up for the role of Janie, a boy-crazy sixteen-year old in small town America who ditches
I love camp movies, believe me and the usual technicolorian gore of Gordon Lewis don't bother me at all, but this is just one o
Higher Learning says its OK for blacks to torment white people because they're all oppressors. most blacks in this movie are p
I saw this movie on TV and loved it! I am a real disaster film fan, and this one was great. The cast was made of some really in
What a clunker!

It MUST have been made for TV or Cable.

Look: forget the screenplay - forget the bunc
Although the film does have a fairly stylish look for an indie made on a really low budget, that's not what I go to movies for. Th
and possibly closest to the Dickens story line. Although I find the young Ebenezer hard to watch (who's idea was that period h
John Waters most accessible film to date is one of his better ones, considering it cut down on all of the campiness and outrigh
Why was this movie ever made?They have tarnished the original Caddyshack with this crap.I was only able to watch half of it
My husband and I bought the Old School Sesame Street DVD's for our daughter and I have to say, I don't let her watch the ne
I really enjoyed this movie. I have probably watched it 2 dozen times or more and still enjoy it. Being an old Navy guy, Im still s
What a movie! It has undeniably entertaining subject matter (unless you're a prude) and a mature, funny, and complex script f
When one thinks of 1950s science fiction films one thinks of the sort of schlocky black and white B films that were parodied on
Maiden Voyage is just that. I'd like to say straight away that I watched 5mins of this before I just couldn't stand it anymore. As
Although a film with Bruce Willis is always worth watching, you better skip this one. I watched this one on television, so I didn't
The chupacabra, according to this mockumentary, is a mysterious

creature that has been killing and eating Hispan
Caught this film on TCM in the early A.M. It was amazing.

Starting out slow but ominously.... Scott is a shady chara
Set in 2017 (although one might easily mistake it for 1987, judging by the hairstyles and clothing), The Running Man sees all-
My first clue about how bad this was going to be was when the video case said it was from the people who brought us Blair W
The basic plot of this film has already been detailed in several other comments so I won't bother. I'd like to first commend the p
This movie contains one of Richard Dreyfuss's greatest performances, as an actor who plays a dictator and does it so convinc
To be honest i had heard this was pretty bad before i decided to watch it, but i'm never one to let others influence my viewings
(No need to recap the plot, since others have done so already.)

It's understandable that many viewers find fault wit
A very moving and thought provoking film that raises issues of mental health, terminal illness and euthanasia. Sound a bit too
There are only two movies I would give a 1/10 to, this stinker and "The Man who Fell to Earth." I remember seeing Protocol at
After Matt Dillon's phenomenal performance in CRASH, most will probably rush to pick up a copy of FACTOTUM to see if Dillo
clara bow's beauty and wonderful appeal are the chief reason to watch this film. "hula" is not quite up to par with clara's best fi
i expected this movie to be absolutely god awful. Like "What Dreams May Come" or "The Truman Show" or something. Well th
First off, I'm not some Justin Timberlake fangirl obsessed with making him look good, in fact I'm not even a huge Justin fan, bu
Going into seeing this movie I was a bit skeptical because fantasy movies are not always my cup of tea. Especially a romantic

This movie gives a cinematic example of the word worthless. It's awful, you can forget plot or decent acting, cause it's not ther
Once big action star who fell off the face of the earth ends up in a small town with a problem with drug dealers and a dead boc
It's interesting to see what shape Pierce Brosnan's career was in before Bond arrived on the scene. In this "tense" thriller, Pier
This documentary is such a wonderful example of what an entertaining and amazing experience a documentary can be, if don
"Once in the life" is a very good movie. However it's not good for everybody, due to the extensive use of vulgar language and
Watchable little semi-soaper, but hardly captivating. Still, two or three funny moments. What amazes me is how slippery and n
I'm always interested to see neglected movies that appear to have good credentials, but in this case the film's neglect appears
A have a female friend who is currently being drawn into a relationship with an SOB who has a long term girlfriend. Of course
It's really too bad that nobody knows about this movie. I think if it were just spruced up a little and if it weren't so low-budget, I
Subspecies is set in Romania where two American college students Michele (Laura Mae Tate) & Lillian (Michelle McBride) arr
It's interesting that a novel with no plot has become the basis for two films. While The Heiress was a good, if not entirely accur
A small funny film. It is totally incredible, unbelievable, impossible. But it is funny how an introverted masochist can become to
When it was released, in the beginning of the 80's, Pixote brings to Brazilian society the problems of young delinquents, and th
This is one of my favorite sports movies. Dennis Quaid is moving and convincing in the part of a man who gave up his dream
The story: Young-goon is a girl whose family has a history of mental illness. She ends up in a mental institution after she starts
A Cinderella story made for adults who live in dreamland. The romance is very unrealistic, fluttery, lovey dovey, perfect etc. Th
This is a funny movie, there's not a lot of those. OK, the plot is a bit disturbing, but very original. A teen trying to get even with
-it has Carla Gugino *yay* and a crappy ending *boo*

-"Jaded" is a highly erotic story about a beautiful woman wh
Greetings;

I never thought I would see the day when I would be so disgusted by A movie that it would be a burden
Let me start off by saying that after watching this episode for the first time on DVD at 10 o'clock P.M. one night, I could not fall
In this 1943 film, Judy Garland is deemed not to be ready for the big-time yet by the man who loves her-Van Heflin. This film w

Lucille Ball was a mighty power in television throughout the 1950s and 1960s, but she still made an occasional film, most nota
I was duped into watching this by the many friendly reviews here. Boy, are they way off mark! To give this 9 to 10 points and c
I am not a usual commenter on this website but seeing how underrated this movie is, I endeavour myself to write some comm
If you're going to spoof James Bond it's a brilliant idea to find a leading man who resembles BOTH Sean Connery and Leonar
The creepy demons "The Gentlemen" capture the voice of the population of Sunnydale, to steal human hearts without scream
Piper, Prue and Phoebe bring Dr. Griffiths to the Manor in order to try and save him from The Source's personal assassin, Sha
This two-parter was excellent - the best since the series returned. Sure bits of the story were pinched from previous films, but
Call me stupid, but I absolutely loved the 2001 horror movie, Valentine. It was so well-made, well-written, well-acted, well-direc
In 1968, Stanley Kubrick made this historic film masterpiece base on a book written by Arthur C. Clark. It was such an early ef
The Matador is better upon reflection because at the time one is watching it, it seems so light. The humor is always medium-g
This has to be one of the worst movies I've ever seen. This movie has nothing positive about it. Some of you people actually li
I mean let's face it, all you have to do in modelling is pose for photos. The judging is so over the top with it's criticism. The sho
I really liked this movie ... but the ads I saw implied, and one published review actually said, that this movie "benefits from a lig
The final frames of the original "American Graffiti" provide one-line summaries of the fates of the film's four central male chara
This movie was awful. The ending was absolutely horrible. There was no plot to the movie whatsoever. The only thing that wa
You want a movie that'll take you places? Well this is a good pick. If you were an adolescent in the era portrayed in this film--th
don't mind the soundtrack, which is played out by now.

Still, Debra Winger is always interesting and while this was
This movie sucked plain and simple. Okay so it's basically about a girl that gets raped, and to get revenge she gets another gu
This movie is brilliant in every way. It touches on the complexities of loving relationships in a meaningful way, but never lecture
Oh my god. oh my god, i cant get over this movie. It was god-awful. horrible, terrible! Don't even waste your money to buy it in
"Live Together, Die Alone" is divided into three main story lines, and each one of them alone would have been enough for a gr
The first time you see The Second Renaissance it may look boring. Look at it at least twice and definitely watch part 2. It will c
If you know the story of Grey Owl, you'll love the movie! Annie Galipeau is a great actress, and Pierce is better than never in C
Since I am required to write minimum of 10 lines, and this garbage deserves not only a single one, I'll start with the following: 1
From "36 Chowringhee Lane" to "15 Park Avenue", Aparna Sen has indeed traveled a long way. If the first one goes down in h
A serious comedy. Ross Hunter-produced movie version of the French play "Les Joies de la famille" (later Americanized as "A
A very cheesy and dull road movie, with the intention to be hip and modern, shown in the editing style and some weird camera
Hey, it's only TV. Sure, it's STAR TREK, the most beloved bla bla, and this is a great one, but it's all relative. What it boils dow
The thing that really gets me about this movie (that is, the thing about this movie that makes me physically ill) is that someone
First of all, this movie reminded me of the old movies I used to have to watch in religion class in school. That's NOT a good thi
Look it's Eva Longoria and Paul Rudd in a movie about a dead girlfriend haunting the new girlfriend. It's Gabrielle from Desper
What exactly was going on during World War 11 in New Zealand when American forces were there?

This awful sto
Oh god, what a horrible, horrible film. Meant to be a comment on the state of society, it's just a reflection of the worst of the wo
This is one of the most spiritual movies I have ever seen. I headed up with about 150 people to St. George and we saw this m
David Attenborough brings his fascination of wild life, this time the creatures under the sea, in this extraordinary 8-episode trip
'The Adventures Of Barry McKenzie' started life as a satirical comic strip in 'Private Eye', written by Barry Humphries and base
Hot Millions is a great movie in every way. A fun, offbeat story with wonderful performances by four of the best professionals e
Bad. Personal opinion? The folks who made it? They knew that when they made it. To star in this movie, again my opinion, yo
Johnny Weissmuller's final film as 'King of the Jungle', after 16 years in the role, TARZAN AND THE MERMAIDS, is bound to
John Candy. Need we say more? He is the main reason you should see this film. Most people don't realize how gifted he was
From the crash of the opening theme, "The Man With the Golden Arm" is classic 1950's entertainment. No subtlety here, Fran
Flat characters that you do not and never will care about. Cringe-inducing dialogue at places. No twists (they think they have c
A moderately interesting start, some pretty scenes in sixteenth-century Japan, and a promising idea. But the execution? The c
Intelligent, wry, and thrilling, "The Invisible Man" stood out in 2000 among Sci-Fi's usual lineup, balancing out "Farscape"'s fan
I'm from Texas so I thought I knew big hair, but the female villain in this movie had humongous hair. Whenever she was on the

I think together all the reviewers have captured this film really well. I have seen it many, many times, but I still feel a sense of j
The only reason i am bothering to comment on this movie is to save you all 97 minutes of your life and maybe your money.<br
As a writing teacher, there are two ending I never allow my students to use: "Then I woke up" and "Then I Got Run Over by a
During a sleepless night, I was switching through the channels & found this embarrassment of a movie. What were they thinki
Three years ago, Rachel(Therese Fretwell) was partying at the lake with her friends when her brother falls out of a boat and d
Closet land is not at happy movie. Neither is it connected to any kind of social realism. This is perhaps its strength. The distan
I watched this film a long time ago (aprox 10 years or so) and liked it then. I remembered it the other day and decided to watch
Rosario Dawson stars as a girl who is date raped and then begins a decent into darkness until given a chance at revenge. Wh
This is the worst imaginable crap. The novel by H. Rider Haggard is very entertaining and dramatic. The makers of this worthl
The most attractive factor that lies in this masterpiece of a film is not the beautiful lead actors. It isn't their outstanding acting a
One of the worst films ever. Not funny, poor TV style cinematography, bad acting. Sad to see so many famous old actors bare

This is a poem on film, wonderfully presented and photographed with sensitive artistry. It captures the atmosphere of the time
This is truly one of the worst films I have ever seen in my life. Rod Steiger who stars as the ornery grandfather, Charlie, is in fu
What a movie! I have always liked the Asian style of shooting, and this movie does not disappoint at all! Photography is breath
I remember seeing this years ago, It had a reasonably promising start, with an interesting premise, but then it degenerated int
First off I want to say most of the people who give this a poor review don't like this kind of comedy, the movie is great if you ha
Having read the novel before seeing this film, I was enormously disappointed by the wooden acting and the arrogance of the p
I saw this film at the 2005 Toronto International Film Festival. Based on a novella by science- fiction author Brian Aldiss, this fi
Didn't Mystic Pizza win the Oscar for that year? This movie never had a chance, due to the casting, but perhaps by now peopl
Formulaic slasher film, only this one stars three ten year olds (all born during a lunar eclipse) as the killers. Nice, huh? A little
A good cast (with one major exception) pushes its way through Epstein's smart light satire. Mansfield was never better, or fun
This was a decent movie for the first half. Too many cheap BOO! moments but the tension builds, the bad guys are creepy an
I saw Bandit Queen in 2005, over a decade after it was made amidst widespread controversy in India. The language, the stark
The first two-thirds of this biopic of fetish model Betty Page are very interesting. Betty, as portrayed with enormous sincerity by
As a young boy, I always sort of hated "Cinderella," since I was outvoted by my two sisters when my parents were considering
This is the last of four swashbucklers from France I've scheduled for viewing during this Christmas season: the others (in orde
Still Crazy has been compared to the Spinal Tap since both are comedies about wash-up R&R groups. Actually, here the simi
I was quite excited when I saw this film in competition at the Montreal Film Festival. Along with Elephant and a few others, I th
After Loomis gives a quick recap of Micheal Myers we flashback to 1989 where Jamie is kidnapped by the Man in Black befor
A great story, although one we are certainly familiar with. Meryl Streep proves that she is truly the best actress in film today. V
I had read up on the film and thought it would be cute, a feel good Saturday night movie. I wasn't expecting anything great, fig
What you saw in BULLITT and THE FRENCH CONNECTION is nothing compared to what you have here. The chase goes on
This the the final feature film that Michelangelo Antonioni directed, with the help of Wim Wenders, and adapts from his short s
Vulpine Massacre should have been this movies actual title. And the tag-line should have read "Guaranteed to make your kids
I saw it on video. Predictable, horrid acting, film flubs. What more can be said, this movie sucks. The actors are annoying to sa
Obvious tailored vehicle for Ryan Philippe. It seem the studios were hoping he could play a lead tough cop and not look like h
So I rented "Still Crazy" instead. When I described Hardcore Logo to the guy at the video store, he said that sounded kind of li
This movie has some of the worst acting I've ever seen. Dennis Quaid's performance was high school caliber. While it's difficu
"Problem Child 2" was a complete waste of my time. The original film wasn't very good but its a classic compared to this film.
I read the above comment and cannot believe it! Of course its a children's movie, its an adaptation of a children's book!! This f
Anyone interested in pop music, and not familiar with British music trends of the late-seventies, should be sure to watch Break
What a movie! I never imagined Richard Attenborough could have such a movie in him. Gandhi has always left me indifferent,
This was Gene Kelly's breakthrough, and that alone makes it memorable. Throw in Rita Hayworth as his love interest and com
While in her deathbed, Ann Lord (Vanessa Redgrave) repeats the name "Harris" and recalls the day on the 50's when she wa
my friend bought the movie for 5€ (its is not even 1 cent worth), because they wrote it was like American pie. but we would so
Okay, sure, this film will never win an oscar. Citizen cane this film is not... BUT why does every film have to be scrutinized? wh
A bickering, American family, vacationing in the west, discover a strange ghost town in the middle of the desert. Little do they
"Glen or Glenda" was Edward D. Wood Jr's first attempt at directing a feature film. For this he chose a topic near and dear to h
Another horror flick in which a goof-ball teenager battles a madman and his supernatural sidekick who want to take over?! Yes
All right, I'll grant you that some of the science in "Doppelganger" (or "Journey To The Far Side Of The Sun") is kind of dopey.
I saw this film opening weekend in Australia, anticipating with an excellent cast of Ledger, Edgerton, Bloom, Watts and Rush t
Bela Lugosi is not typecast in this fantastic twelve-part adventure serial, playing the lead as Frank Chandler/Chandu the Magi
The fact that I watched this entire movie says something about it...or me. It is not a good movie. Terrible in fact. But terrible in
It's a shame. There's an interesting idea here, but it gets completely lost in a confusion of Commodore 64 style computer effec
i just saw this film, i first saw it when i was 7 and could just about remember the end. so i watched it like, 10 minutes ago, and
Nagra comes from conservative Indian family that isn't exactly into girls playing competitive soccer. But our attractive young st
There are some films that every Horror fan owes himself (or herself) to see, and Emilio Miraglia's "La Dama Rossa Uccide Se
This movie was slower then Molasses in January... in Alaska. The man who put togeather the preview should get an award fo
The 1963 version of "The Haunting" has been one of my favorite horror films for years, so I anticipated the release of this 199
I like Money! I stumbled on this brilliant film in a local video store last week. Wasn't sure what to expect. Brought it home, set u

This film was so unfocused, rambling and uneven that it was an effort to watch the whole thing. (I actually thought some intere
Many neglect that this isn't just a classic due to the fact that it's the first 3D game, or even the first shoot-'em-up. It's also one o
